Parents play an important part in developing a plan for their child's education. Please take this opportunity to organize your thoughts before the IEP meeting. This form is NOT required but could be very helpful to you and the planning committee. Bring this form with you and use it as a guide during the planning meeting.

1. In the coming year, I would like to see my child attempt to accomplish the following objectives:

2. The Special Education staff can be of further assistance to my child and me by:

3. Additional comments: (Be as specific as possible).
