Councilmen

You are hereby notified that there will be a Call Session of City Council for the purpose of receiving report of Finance Committee, and other committees, of Joint-City Officers and the transaction of other business that may deemed necessary

Leo H Marshall
Mayor

The following report was offered by finance committee

Your Committee are of the opinion that a report should be exacted from every officer collecting and disbursing any money of the city at frequent intervals, and to that end they report a proposed ordinance herewith.

Your Committee are further of the opinion that all proceedings of Mayor and City Council should be published in the Official paper in the issue next following the meeting of Council

In consideration of the question of raising the necessary means to liquidate the indebtedness and meet the expenses of the city government your Committee have made the following estimates

Orders outstanding	$1,408.68
Bal due City Treasury	5.45
Estimated cost on orders	81.87
" " expenses of current year	2,000.00
Total to provide for	$3,500.00

Toward which we estimate that we can collect from license $1,000.00

Amt due from Police Judge

Paid in from	148.00
" due on 1880 taxes estimate	352.00

Probable collections Police Cost $160.00
To be raised by direct tax 460.00
By issuing a funding bond on old indebtedness 1,500 00
Total $3,500 00

Your Committee think it a better plan to fund $1,500 00 of the city indebtedness.. and inquiry shows that we can do so at 7 pc. and probably at 6 pc. interest at face of bond
