Resolution No. 1. as hereinafter stated was presented by Councilman Swearingin and on motion by Fred La Rocque and second by W. F. Platt was adopted as per the following Roll Call:

Ayes, Councilmen:

Mussell	Holcomb	La Rocque
W. F. Platt	Swearingin	La Sage
O'Hara	S. H. Platt.	

Resolution No. 1.

Whereas on the 17th day of October 1887 the Mayor and Council of the City of Concordia by resolution agreed to accept from W. J. Cooper, the Water Works Contractor, in lieu of the deep well called for by his Contract of Dec 7, 1886. three seven inch tubular wells of a depth of 100 feet, The City to pay $4.00 per foot for each foot it was necessary to go

in excess of 100 feet until a sufficient supply of water was obtained and,

Whereas, said resolutions was adopted on the express statements and verbal guarantee by said Cooper; that said tubular wells would at once be sunk, and all due diligence would be used to complete said wells at the soonest possible time, and,

Whereas, the principal inducement leading this Council to accept said tubular wells was the statement of said Cooper that they would be much more quickly sunk than it would take to dig the well called for by the original contract, and,

Whereas, said Cooper has acted so negligently and carelessly by placing the sinking of said wells in the hands of incompetent sub-contractors, so that to day the City is no better position as regards obtaining water than it was on the 17th day of Oct. 1887.

Therefore be it resolved, That the action of the Council of the 17th day of October 1887 be reconsidered, and that it be declared the sense of this Council that said Cooper be held to the exact terms of his original contract as regards the well, and that no well except that called for by the original contract will be accepted by this Council.

That we hereby demand of said W. J. Cooper an immediate compliance with the terms of his original contract.

That the City Clerk be instructed to immediately transmit to W. J. Cooper at Lincoln Neb. a true copy of these resolutions

On motion, Finance Committee was instructed to meet with the Lincoln Township Board on Monday Jan 30 1888 and protect all interests of the City of Concordia

The following is the proposition

Cimarron, Kans. Jan. 30. 1888

To the Hon. Mayor and City Council,
Cimarron, Kans.

Gentlemen:-

I will put in five wells tubed with 1½ inch iron pipe to such depth as your Water committee or City Engineer may direct, not to exceed an average of sixty five feet. Each well to be provided with suitable strainer twelve ft. long, Cook's patent strainers to be used, but in case Cook strainers can not be obtained, then such strainers to be used as may be directed by Water Committee the City to be entitled to a credit of the difference in cost between the Cook strainer and the strainer used. In case strainers shorter than twelve feet are used, a pro rata reduction to be made to the City. The City to pay extra for the strainers in two wells, the actual cost of such strainers.

I will test each well to a flow of seventy five gallons per minute, and in case this flow should not be obtained and the well's should not be accepted by the Water Committee, or City Engineer, the city to pay me two dollars per foot for my labor on such wells not accepted. I to furnish all material. The five wells to be located near the pumphouse where the Water Committee or City Engineer may direct, so as not to require more than one hundred feet of suction pipe. For all over one hundred feet, the city to pay extra

for materials and labor at actual cost. The connections will be of ample strength to be approved by the City Engineer. The size of suction lines to be as per accompanying diagram hereto attached.

If this proposition is accepted, I will at once commence work and will prosecute the work with all due diligence and complete the same at the earliest possible date.

These wells if accepted are to be in lieu of the dug well called for by the original contract.

In lieu of the three wells called for by this agreement accepted Oct 17, 1887.

Concordia, Kans. April 11, 1888.

Gentlemen of the Council.

I regret to do what seems to me to be for the best interests of the city in general by vetoing the following Ordinance,

Ordinance No. 266

From the best sources and from my own opinion the city should

owns and control the tapping of the mains and same should be done by the Water Works engineer. Would say I no objections to letting the rest of the Street work.

Ordinance No 268. I think there could not be got a person of the necessary qualification and business ability that should be to perform this work for the said amount of money, and think it would be best to combine this with other offis than City Clerk.

Ordinance No 269. I consider the Water Works Engineer the one who should tap all water mains and insert the corporation cock in same

Very obediently yours
L. Grems.
Mayor.

It was moved by E. E. Swearingin and seconed by S. H. Pratt that Ordinance No. 266 be passed over Mayors veto and published. Carried.

It was moved by S. H. Pratt and seconed by F. L. Holcomb that Ordinance No 268 be carried over Mayors veto and published. Carried

It was then moved by E. E. Swearingin and seconed by S. H. Pratt that Ordinance No 269 be carried over Mayors veto and published carried

The roll was duly called in the passing of the above named ordinance No 266, No 268 and No 269 which resulted with each as follows:

Ayes: Counciliman E. E. Swearingin S. H. Pratt; F. L. Holcomb Fred La Rocque.

Jos Le Sage, N. F. Pratt and C. T. O'Hara
Mayor Pro,
Absent, Councilman, E. J. Mussell.

The following resolutions were presented read and on motion accepted and election ordered

Resolution,

Whereas, there has been presented to the Mayor and Council a petition signed by a large number of resident tax payers asking that a special election be called to submit to the people the question of voting $50000.00 of the bonds of the City of Concordia, which said bonds, or as much thereof as may be necessary, shall be exchanged for an equal amount of stock in the Concordia Mining Co. provided that $2500.00 of the stock in said Company be subscribed and paid for by other parties,

Therefore, be it ordered by the Mayor and Council of the City of Concordia that the prayer of the petitioners be granted, and that a special election be held in the City of Concordia on the 22nd day of May 1888, to consider the proposition of voting $50000.00 bonds to be exchanged for $50000.00 of stock in the Concordia Mining Co. And that the Mayor is hereby directed to issue a call for said special election according to law.

Approved this 11th day of April 1888

J. Ireys.
Mayor

W. M. Smith.
City Clerk.

"Order"

Whereas: Hereford, the City of Concordia, in the County of Cloud, and State of Kansas has voted aid and issued its bonds to the The Chicago, Kansas and Western Railroad Co, a corporation duly organized and existing under the laws of the State of Kansas and has paid in payment thereof, capital stock of the said, The Chicago, Kansas and Western Railroad Company of the par value of twenty thousand ($20,000) dollars. and

Whereas: The said stock is of but little value to said city: and

Whereas: It would be to the best interests of said city to sell said stock, and not hold the same: and

Whereas: The said, The Chicago, Kansas and Western Railroad Company is willing to purchase said $20,000 of stock for the sum of One hundred dollars in cash: and

Whereas: this is the best price that has been offered to said city for said stock:

It is therefore, By the Mayor and City Council of said City of Concordia, Cloud County in the State of Kansas resolved, ordered and directed that a special election be held in the said City of Concordia State of Kansas, on the 22 day of May A.D. 1888 to determine whether the proposition to sell said $20,000.

of capital stock of said, The Chicago Kansas and Western Railroad Co to the said, The Chicago Kansas and Western Railroad Co for the sum of One hundred dollars to be paid in cash by said Company, shall be adopted or rejected. The said Special election shall be held, and returns thereof made and the result declared in the same manner as provided by the general election laws of the State as far as the same are applicable, and that the price at which said stock shall be sold, shall be submitted at said election.

The ballots to be used in said election for and against said proposition shall be of the form and contain the words, as follows:

"For the sale of twenty thousand dollars of the capital stock of The Chicago, Kans and Western Railroad Co held by the City of Comanche, to The Chicago, Kansas and Western Railroad Co. for the sum of One hundred dollars to be paid in cash". and,

"Against the sale of twenty thousand dollars of the capital stock of the Chicago, Kans and Western Railroad Co. held by the City of Comanche to the Chicago, Kans. and Western Railroad Co. for the sum of One hundred dollars to be paid in cash"

The Mayor of said City of Comanche is hereby ordered and directed to make

due Proclamation of said election

Resolution.

Whereas the Water Works System of the City of Concordia is practically completed as called for by the contract heretofore existing between W. J. Cooper and said City of Concordia, and,

Whereas it is deemed for the best interests of the City that it take and operate said Works as soon as possible, with the understanding that the defective "Y" at the pump house be replaced by a perfect one by said Cooper as soon as possible at his own expense,

Therefore, be it resolved and ordered by the Mayor and Council of the City of Concordia. That the Water Works System as constructed by W. J. Cooper be accepted as completed with the exceptions of said "Y."

That said W. J. Cooper be called on to furnish an itemized bill showing all his claims or demands against the City for extra work done or extra Material furnished in constructing said Works, and also furnish a sworn statement showing all amounts due from him to any subcontractor, or ~~workin~~ man for work done or material furnished in constructing said Works to the end that the City in its final settlement with Cooper may protect itself against Mechanics liens.

That the acceptance of said Works by the City be upon the express conditions, that such acceptance

shall not be construed in any way as waiver on the part of said City to any claim for damages which it may have against Cooper for failure to complete said works on June 15 1887 as called for by his contract.

That as soon as satisfactory provisions be made to protect the City against Mechanics liens, the Council shall order paid to said Cooper the full amount due him on his contract viz $8000.00 less such sum as the Council may determine to withhold as damages for his failure to complete said works according to contract

On motion, the bid made by F. L. Butler for tapping mains and appurtenances to the same was accepted

On motion, the City Marshall was instructed to order out of town the women now on charge, after collecting the costs and remit fines

Report of Special Committee.
To the Mayor & Council of City of
Concordia, Kans.

Your Committee appointed to confer with W. J. Cooper regarding an amicable settlement of the difference now existing between him and the City, would present the following report for your consideration.

We find the City is indebted to W. J. Cooper as follows:

To balance on contract price.	$2717.09
To extras ordered by City.	232.00
Total	2949.09

Cooper refuses to allow any sums as damages for failure to complete the Works in time, and also declares his intention of holding the Works until he is paid in full.

We therefore make the following recommendations.

1st That the City take immediate possession of the Water Works System and operate the same for the benefit of the Citizens.

2nd That the Council order a warrant drawn on the Water Works fund for $232.00 in favor of W. J. Cooper for extras furnished.

3d That the Council order a warrant drawn on the Water Works fund for $842.09 in favor of W. J. Cooper as part of the balance due on his

Contract

4th That the remaining $1875 [illegible] by the City as damages for failure on Contractors part to complete the Water Works on June 15 1887

Petition

To the Mayor and Council of the City of Concordia in Council assembled Gentlemen.

The Petition of the undersigned Citizens and tax payers of the Fourth Ward in the City of Concordia Cloud Co Kansas respectfully sheweth that they have been and are still annoyed with certain Hog yards located on Block 169 in said city and adjacent to the C.B.U. stock yards said yard is occupied all or most of the time by quite a number of hogs that are being fed on swill and other garbage collected from Hotels and boarding houses thus rendering it disagreeable and unhealthy for all citizens in said vicinity

We Therefore respectfully and urgently ask that such measures be taken as will thoroughly and permanently remove said nuisance and relieve us from the necessity of moving out of said district and beyond the limits of said nuisance

And for this we will ever continue to pray until relief is granted

To the Mayor & Council

Gentlemen

Acting upon the suggestion made to me while speaking of the bond matter to day I write the terms proposed to the city. The proposal was to Exchange the bond heretofore issued by the city of Concordia in aid of the C.K. & W. Ry Amounting to $20.000 bearing date Jany 1 1888 running 30 years @ 6 o/o interest, for $20.000 funding bonds of the city of Concordia to be issued in compliance with the refunding act of Kans approved March 8th 1879

The bonds which mature upon the railway aid bonds Jany 1st 1889 to be surrendred and given to the city as the consideration for the Exchange

Interest upon the $20.000 funding bonds to commence Jany 1st 1889 @ 6 o/o

The railway aid bonds are drawn due in 30 years, without option of Earlier payment. Should the city desire to put in the funding bonds an option to pay them after 10 years from their date, at any time an instalment of interest becomes due after the 10 years it will be satisfactory, which would make the funding bonds run 30 years with the option of payment after 10 years

If the Mayor & Council considers the Exchange favorably the further details can be arranged by telegraph or Corisponsdence. the Exchange would

have to be made at the office of the auditor of State at Topeka as he has to know of the cancellation of the old bonds before he register the new
upon advise being sent to the bank of the decision of the mayor & Council it will at once perform anything necessary upon its part
