

Be It Resolved, That a temporary note as authorized by Ordinance No. 1314 be issued in the sum of \$28,188.54, be numbered three, and be dated January 2, 1951.

Upon Motion by Commissioner Freeman and seconded by Commissioner Cool and carried unanimously, the foregoing resolution was adopted.

The foregoing resolution was read by the city clerk.

RESOLUTION

Whereas, Ordinance No. 1313 authorized the issuance of \$14,675.00 temporary notes of the City of Concordia, Kansas, to pay the cost of improving Twelfth and Fourteenth Streets between Cedar and Republican Streets in said city; and, whereas, said notes are to be issued from time to time as the progress of the work requires and when authorized by resolution of the governing body of said city; and, whereas, there has heretofore been authorized and issued under approved estimates and claims duly filed a temporary note numbered one in the sum of \$810.00, and a temporary note numbered two in the amount of \$5,816.31; and, whereas, additional expenses in the sum of \$7440.69 according to approved estimates and vouchers on file, have been incurred; and, whereas, said sum of \$7440.69 and the aggregate of all previously issued notes for said project do not exceed the sum of \$14,675.00 as authorized by ordinance No. 1313 and will not cause to be exceeded any statutory or constitutional bonded debt limit; NOW, THEREFORE,

Be It Resolved, That a temporary note as authorized by Ordinance No. 1313 be issued in the sum of \$7440.69, be numbered three, and be dated January 2, 1951.

Upon motion by Commissioner Cool and seconded by Commissioner Freeman and carried unanimously the foregoing resolution was adopted.

ORDINANCE NO. 1327

AN ORDINANCE DETERMINING, apportioning, fixing and assessing to each lot and parcel of ground liable for special assessment the amount to be paid in installments for the cost of grading, curbing, guttering and otherwise improving those parts and portions of the streets of the City of Concordia, Kansas, described in the Ordinance of said city numbered 1310, to wit: Twelfth Street and Fourteenth Street from the west side of Cedar Street to the east side of Republican Street, was read by the City Clerk. It was moved by Commissioner Freeman and seconded by Commissioner Cool that said ordinance be placed on its second reading and considered by sections. The motion prevailed and was so ordered. The ordinance was read and considered by sections and each section upon motion was approved. It was moved by Commissioner Cool and seconded by Commissioner Freeman that said ordinance be placed on its final passage and approved as a whole. The following resolution was read by the city clerk.

RESOLUTION

Whereas, on July 3, 1950, the Board of Health of the City of Concordia, Kansas, found it necessary, in said board's judgement, that Bolivia Lewis (the owner of a dwelling house at 113 Broadway, on the north 44 feet of lots 10, 11 and 12 in Block 191, and the owner of two dwelling houses, respectively at 111 and 111½ Broadway on the south 44 feet of Lots 7, 8 and 9 in Block 191, within the City of Concordia, Kansas, which buildings were and are located near a sanitary sewer of said city) install a water-closet, toilet or stool in each of said buildings and connect the same with said sewer in accordance with the provisions of section 3-206 of the Revised Ordinance of the City of Concordia, 1929, for the purpose of disposing of all substances from such buildings affecting the public health which may be lawfully and properly disposed of by means of said sewer; and,

Whereas, on said July 3, 1950, said board of health directed that said Bolivia Lewis be notified to connect said buildings with said sewer system according to sections 6-301 and 6-302 of the Revised Ordinances of the City of Concordia, 1929, the same being ordinance No. 973 of said city; and,

Whereas, on July 12, 1950, a notice in writing was issued by said board of health to said Bolivia Lewis, notifying her to install water-closets, toilets or stools in said buildings and connect the same to said sewer system, and further notifying her that if she should fail, neglect or refuse to so connect said buildings to said sewer within ten days, then the said city would cause such buildings to be so connected and assess the cost and expense thereof against said property; and,

Whereas, said notice was delivered to said Bolivia Lewis, personally, on July 12, 1950; and,

Whereas, said Bolivia Lewis has failed, neglected and refused to so connect any of said buildings with the sewer system as aforesaid, although more than ten days have elapsed since said notice was given:

NOW, THEREOFRE, Be It Resolved, that, as authorized by section 3-302 of the Revised Ordinances of the City of Concordia, Kansas, 1929, and G. S. 1949, 12-631, the following steps to be taken forthwith:

1. That the city engineer prepare and file with the city clerk plans, specifications and estimates of the cost of installing toilets in each of said buildings of Bolivia Lewis and of properly connecting the same with the city's sewer system in accordance with the plumbing ordinances of said city;

2. That, when said plans, specifications and cost estimates shall have been approved by the Board of Health of said city, the city manager of said city advertise for bids for the said construction and making of such sewer connections as aforesaid; and,

3. That said city manager be and he is hereby authorized and empowered to contract with the lowest responsible bidder in the name of said city for the said construction and making of said sewer connections, and said city manager is directed to cause said premises to be connected with said sewer system and thereafter report to this governing body the cost and expense thereof to the end that said cost and expense may be assessed against said property of Bolivia Lewis.

Motion made by Commissioner Freeman and seconded by Commissioner Johnston and unanimously carried that the foregoing resolution be adopted.

On roll call the following Commissioners voted "AYE" Freeman, Johnston and Cool.

Motion was made by Commissioner Cool and seconded by Commissioner Johnston that after the effective date of Ordinance No. 1333 the local railroad agents be notified by the City Manager to bring their crossings and approaches to the proper state of repair and maintenance by doing these things:

Missouri Pacific Railroad Co.

Cedar Street:	Leveling and smoothing
State Street:	Replace with a hard surface of the same or better type than the street. (Plank or asphalt will be acceptable).
Washington Street:	Smooth out between tracks on metal part and replace crossing on north side track.
Broadway Street:	Smooth out approaches to your north track. Replace the three south track crossings with material comparable to the street.
Kansas Street:	Bring north approach up to grade. (See Ordinance No. 1333. "Said crossings shall not be narrower than the usually traveled roadway of the crossed street or alley, and shall be on the same grade as the track for thirty feet on each side of the center of said track...and the approaches thereto shall not exceed a six percent grade and shall be solidly constructed of the same material throughout...")
Olive Street:	Smooth and improve approach and crossing.
High Valley Street:	Replace entire crossing with a smooth crossing.

Burlington Railroad Co.

Cedar Street:	REPLACE WITH A HARD SURFACE OF THE SAME OR BETTER TYPE THAN THE STREET.
State Street:	No repairs needed. Replace with a hard surface of the same or better type than the street. (Plank or asphalt will be acceptable).
Washington Street:	No repairs needed.
Broadway Street:	An excellent crossing. No repair needed.
Olive Street:	Smooth and improve approach and crossing.
High Valley Street:	Bring approaches to grade established by Ordinance No. 1333, except make north approach a little steeper than this standard.
KANSAS STREET:	PERMANENT CROSSING TO BE BUILT AS DEEMED BEST BY YOUR COMPANY.

A. T. and S. F. Railway Co.

Cedar Street:	Replace all missing and damaged boards so as to make smooth crossing.
State Street:	Replace all missing and damaged boards so as to make smooth crossing.
Washington Street:	Replace damaged boards so as to make smooth crossing.
Broadway Street:	Replace loose and damaged boards so as to make smooth crossing.
Kansas Street:	Bring both north and south approaches up to grade set by Ordinance No. 1333 and leave crossing in smooth condition. (See Ordinance
