

The Commission met in regular session, January 6, 1958, at 7:30 P.M. in the office of the City Manager in the City Hall. Mayor Walker presided with Commissioner Johnston present. Absent: Commissioner Reeves.

Other officers present: City Manager Moss, City Attorney Paulsen and City Engineer Powell.

The minutes of the meeting held December 16th and December 31st, 1957, were read and approved.

The following reports were reviewed by the Commissioners and placed on file.

MILK GRADES

APPROVED

Mr. Lowell Venis, the state milk sanitarian listed the following suppliers as qualified to distribute Grade A pasteurized milk in Concordia.

Beatrice Foods Co.
Boll's Dairy
Boogaart Supply Co.

Fairmont Foods Co.
Fleming and Co.

Motion was made by Commissioner Johnston, seconded by Commissioner Walker that the commission accept the recommendations of the sanitarian.

On roll call, the following commissioners voted "Aye": Walker and Johnston. "Nay": None. Motion carried.

GAS INSPECTOR'S LICENSE

APPROVED

Motion was made by Commissioner Johnston, seconded by Commissioner Walker that the application of Joe Yoder for a gas inspector's license be approved.

On roll call, the following commissioners voted "Aye": Walker and Johnston. "Nay": None. Motion carried.

REQUEST FOR WATER TAP

APPROVED

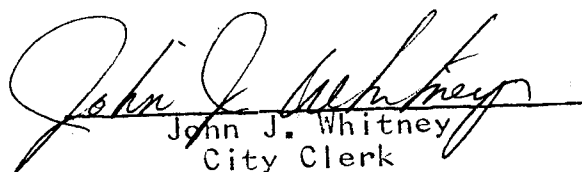

Mr. Fay Everitt requested a water tap to serve property owned by him located some 1,500 feet west of the 17th and Republican Street intersection. Mr. Everitt requested that, although the property was located outside the city limits, that he be relieved of the 50% increase in the minimum water rate now in effect. He felt this was a fair request as the city owned well at 17th and Republican could have been responsible for the failure of the well located on the above mentioned property.

Motion was made by Commissioner Johnston and seconded by Commissioner Walker that this property be charged the same water rate as customers in the city limits.

On roll call, the following commissioners voted "Aye": Walker and Johnston. "Nay": None. Motion carried.

There being no further business, motion was made by Commissioner Johnston, seconded by Commissioner Walker and carried that the meeting adjourn.

APPRAISERS APPOINTED1957 CONSTRUCTION

The City Manager informed the Commission that appraisers should be appointed for the 1957 street construction projects.

Motion was made by Commissioner Johnston, seconded by Commissioner Reeves that the following resolution be adopted.

"Be It Resolved by the governing body of the City of Concordia, Kansas, that the appointment of C. Gay Busby, E. F. Swanson and R. M. Bays, three disinterested residents of the City of Concordia, Kansas, as appraisers to make a true and impartial appraisal of the lots and pieces of land, without regard to the buildings or improvements thereon, liable for assessment for the cost of improving those portions of the streets of said city, described in said City's ordinances numbered 1489 and 1491, be and the same is hereby confirmed. Said appraisers shall be notified of their appointment by the city clerk forthwith, and they shall within five days after being notified of their appointment take and subscribe to an oath to make a true and impartial appraisal, and proceed to make such appraisal. Such appraisers shall make a return of their appraisal to the City Commission at its first meeting after the same shall have been completed. The appraisal shall be filed with the city clerk.

On roll call, the following commissioners voted "Aye": Walker, Johnston and Reeves. "Nay": None. Motion carried.

REQUEST FOR PARKING METERSELK'S CLUB

A request from the Elk's Club that parking meters be installed on the east side of State Street between 6th Street and the alley between 5th and 6th was presented to the Commission.

After discussion, motion was made by Commissioner Reeves, seconded by Commissioner Johnston that the above request be granted and the City Manager be instructed to proceed with the installation of the necessary meters.

RECREATION COMMISSION APPOINTMENTWILLIAM MILLER

Mayor Walker announced that he has appointed William Miller to the Recreation Commission to replace Marvin Brummett, whose term expires January 31, 1958. Mr. Miller...

FINANCING OF DOWNTOWN STREET IMPROVEMENT

The engineering has been completed on the proposed downtown street improvement and the engineers estimated cost of the improving the 14 blocks would be \$190,000.00. The following plan to help finance the proposed improvement was presented to the Commissioners by the City Manager for their consideration.

(a) Beginning in 1958, you may permit a \$5,000.00 a year transfer from the general fund to a fund to be known as the "Downtown Street Improvement Reserve Fund". In that way, if construction was begun in the Spring of 1959, the issuance of bonds could be deferred until 1961. At that time, \$15,000.00 would have been accumulated in this reserve fund to be used to lower the amount of the bond issue.

(b) \$13,000.00 of the original \$190,000.00 estimate is for improvements in the water distribution system in the downtown area. It is recommended that \$13,000.00 be paid from the municipal water utility to further lower the amounts of the bond issue.

(c) After these bonds are issued, permit a transfer from the general fund each year an amount sufficient to meet one-third the principal and interest due each year on this issue.

After discussion, motion was made by Commissioner Johnston, seconded by Commissioner Reeves that the above plan as submitted by the City Manager be approved.

On roll call, the following commissioners voted "Aye": Walker, Johnston and Reeves. "Nay": None. Motion carried.

REQUEST FOR AID IN BUILDING COMFORT STATION AT LINCOLN SCHOOL BALL FIELD

Earl Wright, Chairman of the Recreation Commission, was present to discuss the proposed methods for financing the construction of a comfort station at the Lincoln School Ball Field, which is used by the Recreation Commission during the summer months. Mr. Wright estimated that the cost of the building would be between \$3,000.00 and \$4,000.00. He explained that the Commissioner had a balance of \$1,847.00, which could be used for this project. The balance of the cost could be met by enlisting the aid of the city or the schoolboard or reserve a portion of their annual budget until they had sufficient funds to pay the entire cost of construction.

A discussion was held at which time Miss O'Reilly requested the opinions of the Commission regarding the expansion of the Recreation Commission program to include adults. The three city commissioners voiced their disapproval of such a program as it was their opinion that the program was originally designed for youth only. It was also suggested by the Commission that a director be hired who could devote full time to the job. With regards to the proposed building, it was explained that as the city had not budgeted for this purpose, it would be unable to help financially. Although city crews would be able to do some of the plumbing.

11TH STREET IMPROVEMENT

DR. HAUGHEY

Dr. Haughey was present at the meeting with a request that some action be taken with regard to a more permanent type of surface on 11th Street between Republican Street and the Hospital.

During the discussion, the City Manager explained that this street had received several seal coats but the base was not stable enough to withstand the traffic. He further explained that another seal coat for this street was planned for this summer. It was also mentioned that the voters in an election in 1950 had defeated a proposal to improve this street. The commission instructed the city manager to investigate the feasibility of extending 2nd Avenue over the old do-nut to 11th Street to make a second entrance street to the hospital and report the results of this investigation to the Commission.

CONCESSION STAND AT SWIMMING POOL

The following bids were received for the lease of the concession stand at the swimming pool:

Catherine Bangs and JoAnn Brandt:	10% of profits or \$100.00 payable at the close of the season.

RESOLUTION

ENGINEERING DOWNTOWN IMPROVEMENT

Motion was made by Commissioner Johnston, seconded by Commissioner Reeves that the following resolution be adopted:

RESOLUTION

Whereas, the City Commission of the City of Concordia, Kansas, did on September 15, 1958, by an ordinance numbered 1516, published September 16, 1958, declare the following streets in said city, to-wit, Sixth Street between the east side of Cedar Street and the east side of Lincoln Street, Seventh Street between the east side of Cedar Street and the west side of Lincoln Street, Cedar Street between the south side of Fifth Street and the south side of Seventh Street, State Street between the south side of Fifth Street and the extended north side of the first alley south of Seventh Street, and Washington Street between the south side of Fifth Street and the north side of Seventh Street, to be major trafficways, and did order resurfacing of parts of said streets, curbing and guttering of parts of said streets, and widening, and, the issue of general obligation bonds therefor payable by the city at large; and,

Whereas, in said ordinance as published it is provided that if, within twenty days after the publication, a protest signed by not less than ten percent of the electors shown by the registration books of the said city on the date of the publication of said ordinance, was filed with the city clerk, then the street improvements would not be made; and,

Whereas, twenty days have transpired since the date of the publication of said ordinance and no such protest has been filed:

NOW, THEREFORE, Be It Resolved that Wilson & Company, of Salina, Kansas, consulting engineers retained by the city for that purpose, be requested forthwith to prepare and submit plans, specifications and proper estimates of cost in connection with said proposed street improvements.

On roll call the following commissioners voted "Aye": Johnston and Reeves. "Nay": None. Motion carried.

RESOLUTION

T.V. BOOSTER TOWER

Keith Anderson representing the Concordia J.C.'s was present at the meeting to see if the city of Concordia would take over the operation and maintenance of the T.V. Booster Tower recently erected by the Jaycees. Mr. Anderson explained that the J.C.'s would like to be relieved of the responsibility of the maintenance of this operation so they could devote more time to other civic projects/

A discussion was held at which time the city attorney was asked by the Commission if tax money could be legally spent for this operation. Mr. Paulsen explained that the city could spend tax money for any purpose authorized by state law but he was unable to find any statutes authorizing an expenditure for this purpose.

The City Commission thanked the J.C.'s for their work in erecting this tower but felt that without proper authority the city could not take over this operation.

Visitors present: Art Lowell - Blade-Empire, Ralph Davies - The Kansan and the following trash haulers - Theodore Hale, Mr. and Mrs. Glen Brown, Raymond E. Waite and Dick Boyd (Student from Kansas State College).

TRASH HAULERS LICENSENO ACTION TAKEN

Discussion was held with the three local trash haulers present concerning the proposed trash haulers license ordinance which was presented at the last meeting. The three haulers present were of the opinion that a license would furnish no protection to them or the city of Concordia. The commissioners felt that such an ordinance properly enforced would eliminate the open type trash vehicles which litter the streets and the road to the landfill with rubbish dropped from these vehicles.

After this discussion, motion was made by Commissioner Walker, seconded by Commissioner Johnston that due to the disagreement between the haulers and the city commission, the commission take more time to study this proposed ordinance and the city manager be directed to work out the details with the interested haulers and that this ordinance be presented to the Commission at a later date.

On roll call the following commissioners voted "Aye": Reeves, Johnston and Walker. "Nay": None. Motion carried.

REQUEST FOR STREET LIGHTSAPPROVED

A request for two residential street lights on 10th Street between Hill and Church was received by the Commission. On roll call the following commissioners voted "Aye": Reeves, Johnston and Walker.

BAND CONTRACTAPPROVED

The band contract for 1959 was approved by the Commission.

SUGGESTED ORDINANCE

Commissioner Walker suggested the Commission should pass an ordinance requiring automobile windshields and rear windows be cleared of snow, etc. when driven on city streets. During discussion, the city attorney informed the Commission that a State Law was in effect requiring the above safety precaution, therefore, Commissioner Walker withdrew his request and suggested that more publicity be given this State Law.

The number of men and hours of work shall in each department be determined by the City Manager so as to be within the scope of the current year's budget. Overtime shall be compensated for by compensatory time-off. However, should the individual situation at the time warrant it, the City Manager may authorize the payment of over-time at the employee's monthly rate of pay reduced to terms of an hourly rate of pay. The Police and Fire Departments shall not receive over-time pay or compensation time-off and shall keep regular working schedules on all holidays. The scale for these departments has been increased over and above other departments to compensate for not receiving the benefits afforded to those departments and also takes into consideration the unusual hours, unusual duties, and the greater risks that are inherent in police and fire employment.

SICK LEAVE

All officers and employees of regular standing are eligible for sick leave in accordance with the following schedule:

During 1st year of regular employment	6 calendar days
During 2nd year	9 calendar days
During 3rd year and over	12 calendar days
During 5th year and over	15 calendar days
During 10th year and over	20 calendar days
During 20th year and over	30 calendar days

Such leave will be granted upon satisfactory evidence of illness given to the City Manager. The number of days of sick leave do not accumulate from year to year. The first year of regular employment begins on the date the employee has completed his probationary period of employment and starts receiving a regular monthly salary. No sick leave is provided for part-time or seasonal employment.

VACATIONS

All officers and employees of regular standing are eligible for annual vacations in accordance with the following schedule:

After 1st year of regular employment	7 calendar days
After 2nd year or more of regular employment	14 calendar days

The first year of regular employment begins on the date employee has completed his probationary period of employment and starts receiving a regular monthly salary. During the first year of regular employment vacation time accumulates at the rate of .01918 days per day of employment. This will amount to 7 days after 365 days of employment. This 7-day vacation can be taken during his second year of employment. Should an employee resign, be laid off, or for any reason be severed from employment with the city, the number of days the employee worked from the time he attained regular status is multiplied times .01918 to determine how many days vacation he had earned up to the time of his leaving the city. The accumulated vacation earned by an employee is to be paid to him upon his leaving the city employment regardless of the reason for his leaving the city. The following formula will be used to determine wages the employee will receive for accrued vacation time when employment is severed with the city. Annual salary divided by 365 = calendar day salary

No vacation time is provided for part-time or seasonal employees. The time which an employee desires to take for his vacation must meet with the approval of his department head and the City Manager.

HOLIDAYS

All departments, with the exception of the Fire and Police Departments, shall receive the following holidays during the year:

New Year's Day
Memorial Day
Independence Day
Labor Day

Armistice Day
Thanksgiving Day
Christmas Day

Should any one of these days fall upon a Sunday, the following day, Monday, will be observed as a holiday. Should it be necessary for an employee to work on a holiday due to an emergency or by nature of the employee's work, he shall receive compensatory time off. No seasonal or part-time employee, or new employee who is in the probationary period shall receive holiday benefits; however, should it be necessary for him to work on the holiday, he shall receive his regular hourly wage.

ADVANCEMENT IN CLASSIFICATION

Any advancement in classification must have the approval of the City Manager. No employee is eligible for advancement until the minimum time specified, advancement shall be at the discretion of the City Manager, but in no event shall exceed the maximum pay for the classification as contained in the current salary resolution.

SUBSISTENCE AND TRAVEL EXPENSE

When authorized by the city manager, officers and employees of the city shall be reimbursed at the following rate for expenses incurred while on official duty outside the city limits:

Mileage, 7¢ per mile.
Actual costs of meals, lodging,
gratuities, registrations and enrollment fees.

CHANGES, ALTERATIONS, AND VARIATIONS BY CITY MANAGER
