INDEPENDENT AUDITORS' REPORT

Honorable Mayor and City Commission
City of Concordia, Kansas

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of City of Concordia, Kansas, a municipality, as of and for the year ended December 31, 2013, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the Kansas Municipal Audit and Accounting Guide as described in Note 2 to meet the financial reporting requirements of the State of Kansas; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the Kansas Municipal Audit and Accounting Guide. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statement, the financial statement is prepared by City of Concordia, Kansas to meet the requirements of the State of Kansas on the basis of the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of City of Concordia, Kansas as of December 31, 2013, or changes in financial position and cash flows thereof for the year then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of City of Concordia, Kansas as of December 31, 2013, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide described in Note 1.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, schedule of regulatory basis receipts and disbursements-agency funds (Schedules 1, 2 and 3 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however, are required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

The 2012 Actual column presented in the individual fund schedules of regulatory basis receipts and expenditures – actual and budget (Schedule 1 as listed in the table of contents) is also presented for comparative analysis and is not a required part of the 2013 basic financial statement upon which we rendered an unmodified opinion dated March 22, 2013. The 2012 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link <http://da.ks.gov/ar/muniserv/>. Such 2012 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2012 basic financial statement. The 2012 comparative information was subjected to the auditing procedures applied in the audit of the 2012 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2012 basic financial statement or to the 2012 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the

United States of America. In our opinion, the 2012 comparative information is fairly stated in all material respects in relation to the 2012 basic financial statement as a whole, on the basis of accounting described in Note 1.

CITY OF CONCORDIA, KANSAS

Notes to the Financial Statement
For the Year Ended December 31, 2013

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The City of Concordia, Kansas, (the City) is incorporated as a City of the second class, under the provisions of K.S.A. 14-101 *et seq.* The City operates under a Commission-City Manager form of government and provides the following services as authorized by its charter: public safety (police and fire), highways and streets, electric, water and sewer, health and social services, culture-recreation, education, public improvements, planning and zoning, and general administrative services.

The financial statement and schedules of the City of Concordia, Kansas have been prepared in order to show compliance with the cash basis and budget laws of the State of Kansas. The Governmental Accounting Standards Board is the principal standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the City's accounting policies follow. Note 1 describes how the City's accounting policies differ from generally accepted accounting principles.

Reporting Entity

The City of Concordia, Kansas (the City) is a municipal corporation governed by an elected five member commission. This financial statement presents the City of Concordia, Kansas.

Related Municipal Entities: A related municipal entity is determined by the following criteria. Whether the City exercises oversight responsibility on financial interdependency, selection of governing authority, designation of management, ability to significantly influence operations and accountability for fiscal matters, scope of the public service, and significant operational or financial relationships with the City. Related municipal entities are not required to be included in the City's audit by the Kansas Municipal Audit and Accounting Guide (KMAAG). Based upon the application of this criterion, the following is a brief review of potential related municipal entities:

Frank Carlson Library

The Frank Carlson Library Board operates the City's public library. Acquisition or disposition of real property by the Board must be approved by the City. Separate financial statements are available at the Library.

Concordia Housing Authority

The Housing Authority of the City of Concordia, Kansas operates the City's housing projects with a December 31st year end. The Housing Authority can sue and be sued, and can buy, sell, or lease real property. Bond ordinances must be approved by the City. A copy of the financial statements can be obtained from the Housing Authority.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Regulatory Basis Fund Types

A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. The following types of funds comprise the financial activities of the City of Concordia, Kansas, for the year of 2013:

General fund – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose fund – used to account for the proceeds of specific tax levies and other specific revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest fund – used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Capital Project fund – used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

Business fund – funds financed in whole or in part by fees charged to users of the goods or services (i.e. enterprise and internal service fund etc.)

Trust fund – funds used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipal reporting entity, scholarship funds, etc.).

Agency fund – funds used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

Basis of Presentation – Regulatory Basis of Accounting

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis revenues and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The municipality has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the municipality to use the regulatory basis of accounting.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Pension Plan

Substantially all full-time City employees are members of the State of Kansas Public Employees Retirement System, or the State of Kansas Police and Fire Retirement System, both of which are a multi-employer state-wide pension plan. The City's policy is to fund all pension costs accrued. Such costs to be funded are actuarially determined annually by the State of Kansas.

Property Taxes

In accordance with governing state statutes, property taxes levied during the current year are a revenue source to be used to finance the budget of the ensuing year. Taxes are assessed on a calendar year basis and become a lien on the property on November 1st of each year. The County Treasurer is the tax collection agent for all taxing entities within the County. Property owners have the option of paying one-half or the full amount of taxes levied on or before December 20 during the year levied with the balance to be paid on or before May 10 of the ensuing year. State statutes prohibit the County Treasurer from distributing taxes collected in the year levied prior to January 1st of the ensuing year. Consequently, for revenue recognition purposes, taxes levied during the current year are not due and receivable until the ensuing year. At December 31, such taxes are a lien on the property.

Reimbursed Expenses

K.S.A. 79-2934 provides that reimbursed expenditures, in excess of those budgeted, should be recorded as reductions in expenditures rather than as cash receipts. In the financial statement and budget comparison schedules presented in this report, reimbursements and refunds are recorded as cash receipts. The reimbursements are recorded as cash receipts when received by the City Treasurer and are often difficult to identify the exact expenditure which they are reimbursing. In funds showing expenditures in excess of the original adopted budget, reimbursements are added to the adopted budget as budget credits for comparison with the actual expenditures.

Special Assessments

Kansas statutes require projects financed in part by special assessments to be financed through the issuance of general obligation bonds which are secured by the full faith and credit of the City. Special assessments paid prior to the issuance of general obligation bonds are recorded as cash receipts in the appropriate project. Special assessments received after the issuance of general obligation bonds are recorded as cash receipts in the bond and interest fund. Further, state statutes require levying additional general ad valorem property taxes in the City bond and interest fund to finance delinquent special assessments receivable.

Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1, of each year.
2. Publication in local newspaper of the proposed budget and notice of public hearing on the budget on or before August 5.
3. Public hearing on or before August 15, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25, of each year.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Budgetary Information (Continued)

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. During the year ended December 31, 2013 the City amended the General Fund, Gas Utility Fund, Water and Sewer General Operating Fund, Library Fund and Library Employee Benefit Fund.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which, revenues are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for capital projects funds, and the following special project funds:

- Computer Equipment Replacement (K.S.A. 12-1,117)
- Special Equipment (K.S.A. 12-1,117)
- B.A.T. Equipment Reserve (K.S.A. 12-1,117)
- Civil Asset Forfeiture (K.S.A. 60-4117)
- Continuing Economic Development Grant (K.S.A. 12-1663)
- Fire Department Grants & Donations (K.S.A. 79-2925)
- Fire Department Donations (K.S.A. 79-2925)
- Police Department Grants and Donations (K.S.A. 79-2925)
- Recreation Grant and Donations (K.S.A. 79-2925)

In addition, an operating budget is not required for business principal and interest funds and business reserve funds.

Spending in funds which are not subject to the legal annual operating budget requirement are controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

2. STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

Compliance with Kansas Statutes

Statement 1 and Schedule 1 have been prepared in order to show compliance with the cash basis and budget laws of Kansas. As shown in Statement 1 and Schedule 1 the City was in apparent compliance Kansas cash basis and budget laws.

Management is not aware of any other material statute violations.

3. DEPOSITS AND INVESTMENTS

As of year end, the City has the following investments.

<u>Investment Type</u>	<u>Fair Value</u>	<u>Rating</u>
Kansas Municipal Investment Pool	\$ 1,000,083.81	S&P AAaf/S1+

K.S.A 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main branch or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the bank provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

K.S.A 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. Government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices.

Concentration of credit risk. State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405. The City's allocation of investments as of December 31, 2013, is as follows:

<u>Investment Type</u>	<u>Percentage of Investment</u>
Kansas Municipal Investment Pool	100%

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka. All deposits were legally secured at December 31, 2013.

At year-end, the City's carrying amount of deposits was \$3,947,124.40 and the bank balance was \$3,843,922.96. The bank balance was held by five banks resulting in a concentration of credit risk. Of the bank balance, \$1,074,475.08 was covered by FDIC insurance, \$2,769,447.88 was collateralized with securities held by the pledging financial institutions' agents in the City's name.

Custodial credit risk – investments. For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the City will not be able to recover the value of its investments of collateral securities that are in the possession of an outside party. State statues require investments to be adequately secured.

At year-end, the City had invested \$1,000,083.81 in the Kansas Municipal Investment Pool. The municipal investment pool is under the oversight of the Pooled Money Investment Board. The board is comprised of the State Treasurer and four additional members appointed by the State Governor. The board reports annually to the Kansas legislature. State pooled monies may be invested in direct obligations of, or obligations that are insured as to principal and interest, by the U.S. government or any agency thereof, with maturities up to four years. No more than ten percent of those funds may be invested in mortgage-backed securities. In addition, the State pool may invest in repurchase agreements with Kansas banks or with primary government securities dealers.

4. CAPITAL LEASE OBLIGATIONS

The City has entered into a capital lease agreement in order to finance the acquisition of a Kyocera Digital Copier. Payments are made monthly, including interest at approximately 8.861%. Final maturity of the lease is August 27, 2015. Future minimum lease payments are as follows:

<u>Year Ended December 31</u>	<u>Totals</u>
2014	\$ 2,128.80
2015	<u>1,419.20</u>
	3,548.00
Less imputed interest	<u>(260.81)</u>
Net Present Value of Minimum Lease Payments	3,287.19
Less: Current Maturities	<u>(1,914.02)</u>
Long-Term Capital Lease Obligations	<u>\$ 1,373.17</u>

The City has entered into a capital lease agreement in order to finance the acquisition of a Vactor Sewer Cleaner. Payments are made monthly, including interest at approximately 2.070%. Final maturity of the lease is October 18, 2015. Future minimum lease payments are as follows:

<u>Year Ended December 31</u>	<u>Totals</u>
2014	\$ 80,085.61
2015	<u>80,085.61</u>
	160,171.22
Less imputed interest	<u>(4,839.52)</u>
Net Present Value of Minimum Lease Payments	155,331.70
Less: Current Maturities	<u>(76,870.24)</u>
Long-Term Capital Lease Obligations	<u>\$ 78,461.46</u>

5. LONG-TERM DEBT

Changes in long-term debt for the City for the year ended December 31, 2013, were as follows:

Issue	Interest Rates	Date of Issue	Original Amount of Issue	Date of Final Maturity	Balance Beginning of Year	Additions	Reductions/ Payments	Balance End of Year	Interest Paid
General Obligation Bonds									
Paid with Tax Levies									
Series 2011-A	2.0% - 3.5%	February 1, 2011	\$ 1,665,000.00	November 1, 2021	\$ 1,615,000.00	-	\$ (55,000.00)	\$ 1,560,000.00	\$ 47,380.00
Series 2011-B	1.00%	February 1, 2011	1,100,000.00	August 1, 2020	977,600.00	-	(122,400.00)	855,200.00	9,470.00

6. OPERATING LEASES

The City has entered into an operating lease for a postage machine which requires monthly payments of \$35.95 for 36 months and the City has entered into an operating lease for a copier which requires monthly payments of \$532.52 for 60 months. Rent expense for the year ended December 31, 2013, was \$7,337.19. Under the current lease agreement, the future minimum rental payments are as follows:

2014	\$ 3,788.52
2015	431.40

7. ECONOMIC DEVELOPMENT BONDS

The City has entered into various agreements to induce businesses to locate or expand operations in Concordia, Kansas. In connection therewith, the City has issued industrial revenue bonds (IRB's) and Recovery Zone Facility Bonds (RZFB's), which require the businesses to make lease payments to trust accounts sufficient to pay debt service on the IRB's and RZFB's. The City is under no obligation to pay the related debt, which is to be paid from the lease payments made by the related businesses. At December 31, 2013, there was one industrial revenue bond issue with principal balance due totaling \$1,636,383.49 and one recovery zone facility bond issue with principal balance due totaling \$1,626,309.55.

8. DEFINED BENEFIT PENSION PLAN

Plan description. The (non-school municipality) participates in the Kansas Public Employees Retirement System (KPERS) and the Kansas Police and Firemen's Retirement System (KP&F). Both are part of a cost-sharing, multiple-employer defined benefit pension plan as provided by Kansas law. KPERS and KP&F provide retirement benefits, life insurance, disability income benefits, and death benefits. Kansas law establishes and amends benefit provisions. KPERS and KP&F issue a publicly available financial report (only one is issued) that includes financial statements and required supplementary information. Those reports may be obtained by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

Funding Policy. K.S.A. 74-4919 and K.S.A. 74-49,210 establishes the KPERS member-employee contribution rates. Effective July 1, 2009 KPERS has two benefit structures and funding depends on whether the employee is a Tier 1 or Tier 2 member. Tier 1 members are active and contributing members hired before July 1, 2009. Tier 2 members were first employed in a covered position on or after July 1, 2009. Kansas law establishes the KPERS member-employee contribution rate at 4% of covered salary for Tier 1 members and at 6% of covered salary for Tier 2 members. K.S.A. 74-4975 establishes KP&F member-employee contribution rate at 7% of covered salary, and this rate changed to 7.15% on July 1, 2013. The employer collects and remits member-employee contributions according to the provisions of Section 414(h) of the Internal Revenue Code. Kansas law provides that employer contribution rates be determined annually based on the results of an annual actuarial valuation. KPERS and KP&F are funded on an actuarial reserve basis. Kansas law sets a limitation on annual increases in the employer contribution rates. The City's employer contribution to KPERS and KP&F for the year ending December 31, 2013 was \$147,922.26 and \$77,739.45 equal to the statutory required contributions for the years.

9. CAPITAL PROJECTS

The following is a summary of capital project authorizations and expenditures to date:

<u>PROJECT NAME</u>	<u>AUTHORIZED</u>	<u>EXPENDED THRU 12/31/13</u>	<u>ESTIMATED COMPLETION</u>
CDBG Demolition and Rehabilitation	\$ 343,800.00	\$ 127,850.03	2014

Demolition Projects	5,198.00	5,198.00	Complete
Street Overlays	74,678.08	74,678.08	Complete

10. NOTES RECEIVABLE AND LOANS RECEIVABLE

The City has established an Economic Development Revolving Loan Fund. The fund is the recipient of money paid back to the City by Concordia industries which received Community Development Block Grants in earlier years. As repayment is made by these industries, the City makes loans to other qualifying industries. The loans due to the City at December 31, 2013, through the Economic Development Revolving Loan Fund are as follows:

Coppoc Sports	\$ 24,816.07
Rod's Food Store	<u>154,139.11</u>
	<u>\$ 178,955.18</u>

These notes receivable are not reflected in these regulatory basis financial statements of the City of Concordia, Kansas.

11. OBLIGATIONS UNDER GUARANTEE

The City has guaranteed \$22,000.00 of Buy the Book's debt, which is due in monthly installments with final payment due during the City's fiscal year ended December 31, 2019. The City would be obligated to perform under this guarantee if Buy the Book failed to pay principal and interest payments to the lender when due. Including accrued interest, the maximum potential amount of future (undiscounted) payments under this guarantee would be \$15,923.57. However, if the City were required to honor the guarantee, it would be entitled to property and equipment owned by Buy the Book that collateralizes the loans.

12. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

Compensated Absences:

All full-time employees of the City with one year of employment are eligible for vacation benefits in varying annual amounts. Full time employees will be granted paid vacation time according to the following schedules:

Years Continuous Employment:	1-5	6-10	11-14	15+
Days Granted per Year:	12	15	18	18
Maximum Hours Accrued	160	160	160	200

Vacation hours for fire department personnel:

Years Continuous Employment:	1-5	6-10	11+
Hours Granted per Year:	128	160	191

In the event of termination, an employee shall not be paid for any accrued vacation.

Sick leave accrues to all full-time employees at the rate of one sick day per month to a maximum of 130 days. Regular full time firefighters will accumulate sick leave at the rate of 11 hours of sick leave per month to a maximum of 130 days.

The City determines a liability for compensated absences when the following conditions are met:

1. The City's obligation relating to employees' rights to receive compensation for future absences is attributable to employees' services already rendered.
2. The obligation relates to rights that vest or accumulate.
3. Payment of the compensation is probable.
4. The amount can be reasonably estimated.

In accordance with the above criteria, the City has estimated a liability for vacation pay of \$108,327.64, which has been earned, but not taken by City employees. In accordance with the above criteria, the City has not recorded a liability for sick pay, inasmuch as the amount cannot be reasonably estimated.

Other Post Employment Benefits:

As provided by K.S.A. 12-5040, the local government allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the City is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in these financial statements.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the City makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the Federal government for this coverage. The premium is paid in full by the insured. There is no cost to the City under this program.

If the employee is retiring and has been employed with the City continuously for a minimum of 20 years, the City will cover the premium of a single health insurance plan per month. The employee will pay the difference between the premium and the maximum amount needed to cover stop-loss plus the group's maximum claims liability.

12. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS (Continued)

Other Post Employment Benefits: (Continued)

The City has elected to terminate the plan in 2009, therefore, maximum exposure under GASB 45 is estimated in the following schedule of benefits paid and payable for eligible employees which have taken the retirement option as of December 31, 2013:

<u>Paid or Payable</u>	<u>Year Ended</u>	<u>Amount</u>
Paid	2013	\$ 14,809.14
Payable	2014	14,735.16
Payable	2015	14,735.16
Payable	2016	14,735.16
Payable	2017	11,460.68
Payable	2018	4,911.72
Payable	2019-2023	21,693.43

13. RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees' health and life; and natural disasters. The City manages these risks of loss through the purchase of various insurance policies.

The City has been unable to obtain workers' compensation insurance at a cost it considers to be economically justifiable. For this reason, the City has joined together with other cities in the State to participate in Kansas Municipal Insurance Trust (KMIT), a public entity risk pool currently operating as a common risk management and insurance program for participating members. The City pays annual premium to KMIT for its workers' compensation insurance coverage. The agreement to participate provides that KMIT will be self-sustaining through member premiums and will reinsure through commercial companies for claims in excess of a stated dollar amount for each insurance event. Additional premiums may be due if total claims for the pool are different than what has been anticipated by KMIT management.

14. INTERFUND TRANSFERS

Operating and residual transfers were as follows:

<u>From Fund:</u>	<u>To Fund:</u>	<u>Statutory Authority</u>	<u>Amount</u>
General	Capital Improvement Project	K.S.A. 12-1,118	\$ 150,000.00
