

## Adopted Building Codes

The City of Concordia is currently regulating the building trades within the City under the following list of adopted related codes.

- **2012 International Building Code** published by the International Code Council, (with amendments)
- **2012 International Mechanical Code** published by the International Code Council, (with amendments)
- **2012 International Plumbing Code** published by the International Code Council, (with amendments).
- **2011 National Electrical Code** published by the National Fire Protection Association.
- **2012 International Fire Code** published by the International Code Council, (with amendments).
- **2012 International Fuel Gas Code** published by the International Code Council, (with amendments).
- **2012 International Residential Code** published by the International Code Council, (with amendments).

**Copies of the local codes can be purchased from the publisher or viewed at City hall or the Frank Carlson Library.**

**May 11, 2021 the Concordia Board of Building Trades (BBT) will begin review of the International Code Council 2018 Building Code package, which will include the 2017 NFPA70, the National Electrical Code. As per the attached policy all contractor participants in that process will be credited with the appropriate amount of continuing education towards license renewal.**

The City receives a discount for bulk ordering of code books. If want to take advantage of this discount, please contact Bruno Rehbein at (785) 243-2672 or [bruno.rehbein@concordiakansas.org](mailto:bruno.rehbein@concordiakansas.org)
