Dear Local Authority:

RE: Liquor License Renewal Applications in Your Jurisdiction - Your Objection Opportunity

Enclosed please find a list of liquor-licensed premises in your jurisdiction whose liquor licenses will expire in about 90 days. This is your opportunity to object to these license renewal requests as authorized by RCW 66.24.010 (8).

1) Objection to License Renewal

To object to a liquor license renewal: fax or mail a letter to the Washington State Liquor and Cannabis Board (WS-LCB) Licensing Division. This letter must:

- o Detail the reason(s) for your objection, including a statement of all the facts upon which your objection or objections are based. You may include attachments and supporting documents which contain or confirm the facts upon which your objections are based.
- o Please note that whether a hearing will be granted or not is within the Board's discretion per RCW 66.24.010 (8)(d).

Your letter or fax of objection must be received by the Board's Licensing Division at least 30 days prior to the license expiration date. If you need additional time you must request that in writing. Please be aware, however, that it is within the Board's discretion to grant or deny any requests for extension of time to submit objections. Your request for extension will be granted or denied in writing. If objections are not timely received, they will not be considered as part of the renewal process.

A copy of your objection and any attachments and supporting materials will be made available to the licensee, therefore, it is the Local Authority's responsibility to redact any confidential or non-disclosable information (see RCW 42.56) prior to submission to the WSLCB.

2) Status of License While Objection Pending

During the time an objection to a renewal is pending, the permanent liquor license is placed on hold. However, temporary licenses are regularly issued to the licensee until a final decision is made by the Board.

3) Procedure Following Licensing Division Receipt of Objection

After we receive your objection, our licensing staff will prepare a report for review by the Licensing Director. The report will include your letter of objection, as well as any attachments and supporting documents you send. The Licensing Director will then decide to renew the liquor license, or to proceed with non-renewal.

4) Procedure if Board Does Not Renew License

If the Board decides not to renew a license, we will notify the licensee in writing, stating the reason for this decision. The licensee also has the right to request a hearing to contest non-renewal of their liquor license. RCW 66.24.010 (8)(d). If the licensee makes a timely request for a hearing, we will notify you.

The Board's Licensing Division will be required to present evidence at the hearing before an administrative law judge to support the non-renewal recommendation. You may present evidence in support of your objection or objections. The administrative law judge will consider all of the evidence and issue an initial order for the Board's review. The Board members have final authority to renew the liquor license and will enter a final order announcing their decision.

5) Procedure if Board Renews License Over Your Objection

If the Board decides to renew the license over your objection, you will be notified in writing. At that time, you may be given an opportunity to request a hearing. An opportunity for a hearing is offered at the Board's discretion. If a hearing is held, you will be responsible for presenting evidence before an Administrative Law Judge in support of your objection to license renewal. The Board's Licensing Division will present evidence in support of license renewal. The Licensee may also participate and present evidence if the licensee desires. The administrative law judge will consider all of the evidence, and issue an initial order for the Board's review. The Board members have final authority to renew the liquor license and will enter a final order announcing their decision.

For questions about this process, contact the WSLCB Licensing Division at (360) 664-1600 or email us at localauthority@sp.lcb.wa.gov.

Sincerely,

Rebecca Smith

AMENDED INTERLOCAL AGREEMENT FOR MISDEMEANOR PROSECUTION SERVICES

THIS AGREEMENT is entered into pursuant to Chapter 39.34 RCW by and between Island County, a political subdivision of the State of Washington, and the Island County Prosecuting Attorney (hereinafter collectively referred to as COUNTY), and the City of Langley (hereinafter referred to as CITY), a municipal corporation of the State of Washington.

WHEREAS, RCW 39.34.180 provides that each county, city and town is responsible for the prosecution, adjudication, sentencing and incarceration of misdemeanor and gross misdemeanor offenses committed by adults in their respective jurisdictions and authorizes counties, cities and towns to enter into interlocal agreements with each other pursuant to Chapter 39.34 RCW to carry out those responsibilities, and

WHEREAS, the parties desire to enter into an agreement whereby COUNTY will provide misdemeanor and gross misdemeanor prosecution services to CITY to enable CITY to carry out its responsibility for such prosecutions.

NOW THEREFORE, COUNTY and CITY agree as follows:

Section 0. <u>Supersedence of Prior Agreements</u>.

The parties agree that this contract supersedes all prior agreements between them for the provision of prosecution services. All such prior agreements are hereby terminated upon the effective date of this agreement.

Section 1. Prosecution Services.

- 1.1 COUNTY, through the Island County Prosecuting Attorney, will provide CITY the following prosecution services for misdemeanors and gross misdemeanors committed within the city limits which are charged under state law or city ordinances, PROVIDED that prior to the prosecution of any violation of a city ordinance, CITY shall appoint the Island County Prosecuting Attorney, or any deputy prosecutor serving pursuant to RCW 36.27.040, to have authority to prosecute violations of CITY criminal ordinances for the duration of this agreement, with full authority *to* act on behalf of CITY in such prosecutions, including:
 - (a) prosecution of driving under the influence (DUI) cases charged by CITY law enforcement officers;
 - (b) prosecution of domestic violence cases charged by CITY law enforcement officers:
 - (c) prosecution of other misdemeanor and gross misdemeanor cases charged

by CITY law enforcement officers;

- (d) review of misdemeanor and gross misdemeanor cases investigated by CITY law enforcement officers and referred to the Island County Prosecuting Attorney for a charging decision (the parties agree that an informal consultation regarding a case then under investigation by CITY law enforcement does not constitute a review for a filing decision, and will be provided at no cost to CITY);
- (e) prosecution of those cases referred to the Island County Prosecuting Attorney for a charging decision when the Island County Prosecuting Attorney files charges;
- (f) prosecution of other misdemeanors or gross misdemeanors under CITY ordinances that are mutually agreed to by COUNTY and CITY on a case by case basis;
- (g) RALJ appeals to Superior Court of any of the aforementioned cases prosecuted by COUNTY. RALJ (Rules for Appeal of Decisions of Courts of Limited Jurisdiction) appeals are appeals to Superior Court of District Court cases; and
- (h) prosecution of civil traffic infractions when the court requires representation by an attorney on behalf of CITY (for example, in cases in which the defendant is represented by an attorney).
- 1.2 COUNTY shall render prosecution services under this Agreement in the same manner as is customarily undertaken by COUNTY with regard to crimes committed in unincorporated Island County.
- 1.3 Responsibility for cases which are appealed to the Washington Court of Appeals, the Washington Supreme Court, or to any Federal Court shall be the responsibility of CITY unless the parties agree upon terms under which COUNTY will continue to represent CITY.
- 1.4 COUNTY shall provide CITY with timely written notice of the disposition of each case referred or prosecuted under section 1.1.

Section 2. Compensation.

- In consideration of the services provided by COUNTY described in Section 1, CITY shall compensate COUNTY at a rate of \$822.92 per each non-infraction case and \$123.44 per each infraction case in which COUNTY performs services described in section 1.1.
- 2.2 The calculation for the compensation paid by CITY shall be based upon the

number of cases and referrals received by COUNTY during the reporting period. Cases received include cases for which COUNTY made an initial court appearance prior to receiving a completed case referral or report.

2.3 Payments shall be made within thirty (30) days of receipt of a quarterly report and invoice, to be provided as required in Section 5. Each quarterly payment shall be determined by multiplying the rate set forth in paragraph 2.1 by the number of cases reported for the billing period.

2.4 Rate Adjustments.

- (a) For compensation paid in the years 2026 and after, the rates set forth in paragraph 2.1 shall be increased by the amount of the previous July to June (for example, for the 2026 rate increase, July 2024 to June 2025) Bureau of Labor Statistics Consumer Price Index for all Urban Consumers (CPI-U) using the West Region, Size Class B/C (population size 2,500,000 or less) for item 'Services'. The Island County Prosecuting Attorney shall provide the amount of each increase to CITY in July of the year preceding the year for which it will be effective (for example, in July of 2025 for the 2026 increase), or as reasonably soon as possible after the information becomes available.
- (b) The parties agree to review the prosecution cost and caseload data, upon request by either party, in the fifth year of this contract and every five years thereafter.

Section 3. Duration.

Once fully executed by both COUNTY and CITY and filed or listed pursuant to RCW 39.34.040, this Agreement shall be effective as of January 1, 2025. The term of this Agreement shall extend to December 31, 2025, and shall automatically be renewed from year to year thereafter unless terminated as provided in Section 4.

Section 4. Termination.

Either party may terminate this contract upon 90 days written notice.

Section 5. Quarterly Case Reports.

COUNTY shall provide CITY quarterly reports. The quarterly reports will indicate, for each case received during the reporting period, the defendant name, violation date, date received by the prosecutor, and the incident number. The report shall constitute an invoice for CITY, to be paid according to section 2.3.

Section 6. City Law Enforcement Obligations.

In addition to complying with applicable laws and court rules, CITY shall provide to the Island County Prosecuting Attorney within 5 days of filing a citation in court: (1) a copy of any citation filed in court; and (2) a complete law enforcement investigation report.

Section 7. Annual Policy Review.

The parties agree to conduct an annual review of policy issues that may arise in carrying out this Agreement. Any changes to this Agreement resulting from such policy reviews will be made by amendment to this Agreement as provided in Section 14.

Section 8. Non-Exclusive.

COUNTY acknowledges that CITY is free to engage its own legal representative to prosecute any cases. CITY agrees to pay COUNTY the full fee for each case if any work is performed prior to the date of transfer of cases subject to the terms of this Agreement. CITY may transfer any new case to another legal representative for prosecution without written notification. Existing cases transferred must have written notice by CITY's Chief of Police to the Island County Prosecuting Attorney prior to the transfer.

Section 9. Indemnification/Hold Harmless.

Each party agrees to indemnify, defend and hold harmless the other party, its elected and appointed officials, officers, agents and employees from any and all costs, claims, judgments or awards of damages, which may be made against the other party arising out of the performance of the activities described in this Agreement, to the extent of the negligence of the party, its officers, employees or agents.

Section 10. Records and Inspections.

The records and documents with respect to all matters covered by this Agreement shall be subject to inspection, review, or audit by COUNTY or CITY during the term of this Agreement, subject to each party's regular archival and destruction schedules.

Section 11. Administration.

COUNTY and CITY shall each designate representatives for the purpose of administering this Agreement, and each shall notify the other in writing of its designated representatives. Each party may change its designated representatives upon written notice to the other.

Section 12. Notices.

(a) All notices required by this Agreement to be given to COUNTY shall be made in writing and personally delivered or sent by registered mail to the Island County Prosecuting Attorney.

(b) All notices required by this Agreement to be given to CITY shall be made in writing and personally delivered or sent by registered mail to the Mayor of CITY.

Section 13. Property.

No property shall be acquired for joint use pursuant to this Agreement.

Section 14. Modification/Amendment.

This Agreement may not be modified orally. Any amendment or modification of this Agreement must be made in writing with the same formalities as are required for execution of this Agreement.

Section 15. <u>Entire Agreement, Waiver of Default.</u>

The parties agree that this Agreement is a complete expression of the terms hereto and any oral representations or understandings not incorporated herein are excluded. The waiver of any default by either party shall not be deemed as a waiver of any subsequent default. Waiver of a breach of any provision of this Agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

Section 16. Severability.

If any provision of this Agreement is found to be invalid or contrary to law, the remainder of this Agreement shall not be affected thereby.

To: Langley City Council

From: Kennedy Horstman, Mayor

Meeting Date: October 7, 2024

Subject: Changing Public Comment Period to 15 Minutes

Because public comments rarely extend beyond 10 minutes and the 30-minute default public comment duration makes it difficult to plan meetings effectively, we are requesting that the default allotted public comment time be changed to 15 minutes.

As a reminder, extending the public comment period "on the fly" for a particular meeting through the agenda approval process is always an option for Council.

Subject: Reset October and November 2024 Council Workshop Agendas

In our last council meeting (9/23/24) a motion was made discuss commissions in the October council workshop meeting. Given the desire to solicit input from commissions and to allow sufficient time for that I am requesting that the commission conversation shift to the November workshop.

Requested Motion:

Approve the following topics for the October and November council workshop meetings:

- October 28, 2024
 - o Climate Element Discussion
 - o Budget Priorities Discussion
- November 25, 2024
 - o Commission Discussion

City of Langley

To: Langley City Council

From: Kennedy Horstman, Mayor

Meeting Date: October 7, 2024

Subject: Mayor's Report 09/13/24 – 10/03/24

Financial/Budget/Audit

- Kelly Beech (incoming Finance Director) started on October 1. Wanda Grone and I are supporting onboarding and formal authorizations are in process (e.g. Credit Card Administration Transition in the consent agenda).

- The 2021-2022 is complete. Director Beech will provide a very brief report out at the council meeting, followed by a more thorough report out to the FPLC and then Council at a later meeting. (The formal report will come later as onboarding and budget deadlines are the priority at the moment.)
- 2025 Police Guild compensation agreement discussion is scheduled for November 6.
- Director Grone's last day with the City will be October 15th. I want to express my deep appreciation for her work and support over the past almost two years. She has bravely forged a path during very turbulent seas for the City of Langley and helped keep the ship afloat.

Revenue/Funding Related

- Island County Commissioners unanimously authorized the City's request to extend the Rural Economic Development (RCED) Grant funding LIP design and sewer extension to Decker/Furman area. The grant has been extended to December 31, 2025.

Constituent Engagement/Support

- Leadership and public service presentation to and conversation with Woodhaven HS students
- New commissioners approved (PAB, DSR) with others still in work notably PWAC and DSR
- Facilitated a discussion of merging the Historic Preservation and Design Review with current commission members
- Supported Climate Element community meeting

Interagency Engagement/Support

- Met with Economic Development Council, Council of Governments, IRTPO, PSE Government Liaison and Whidbey-Camano Tourism Board
- Discussed, as a Whidbey Camano Tourism board, an update to the interlocal agreement to accommodate the shift of the Whidbey Camano Tourism organization to a 501(c)(6) structure. (The 501(c)(6) structure is appropriate for not-for-profit organizations like business leagues, chambers of commerce, real estate boards, and boards of trade.) When finalized the interlocal will be submitted for council authorization. I support the authorization because the shift will simplify the administration of the organization while still providing appropriate participation, transparency, and oversight. (The 501(c)(3) will be subject to state audits and Open Public Meeting Act requirements.)
- Completed Island County Prosecuting Attorney Services Interlocal Agreement (on the consent agenda).
