

## Memo

To: Mayor Kwarsick, City Council  
From: Jeff Arango, AICP, CFM – Director of Community Planning  
Date: February 16, 2012

**Re: Second Street Project**

### ***Consultant Selection***

Following the interviews of six firms the review panel selected studio KPG as the preferred choice to provide design and engineering services on the Second Street Project. The review panel was impressed with the firm's experience, energy and innovative approaches to street design. The city staff is currently in negotiations with studio KPG on a scope of work, contract and budget agreement and plan to bring those to the council for consideration at the next scheduled meeting.

### ***Advisory Committee***

The Second Street Project advisory committee will play a critical role in the project by representing a broad range of stakeholders in the city, generating a vision for the project, providing input to the design team and facilitating public involvement. In order to incorporate a variety of stakeholder groups the Mayor intends to appoint the following individuals to serve on the committee subject to input from the city council:
