MEMORANDUM

DATE:February 15, 2024TO:Finance, Budget & Personnel CommitteeFROM:Tom Loucks, Communications DirectorRE:Budget Resolution 03-2024 studio lighting for new space

Background

The Marshfield Broadcasting Division in the Communications Department produces several local television-style programs in a studio setting on a weekly basis by using professional studio lighting to brighten and shape the set. The current lighting units purchased in 2007 are no longer made, the bulbs are failing, difficult to purchase, and cost approximately \$50 per bulb if we can find a distributor. The lighting distribution panel was unusable upon taking over the former MCTV studio, but we fixed the unit in-house at no cost and have been using it for the past 5-years, but recently been starting to fail at times.

Summary

Without proper studio lighting, the quality of the television programs would be poor and unusable. This would impact not only the City's outreach of governmental affairs programs used to inform the residents of Marshfield but also television programs such as candidate interviews for elections, non-profit organizations events, and local businesses.

We could continue to use the old lighting but the new build-out space does not easily accommodate this approach. The style of this lighting would require additional support structure, removal of the ceiling panels, and special wiring in the ceiling, so there are no tripping hazards or building code violations.

Since this is a new remodel of existing space, the lighting should be installed at this time instead of doing it later or trying to use the existing lighting we currently have.

I am requesting this budget resolution now, because at the time of the project and budgeting process in 2023, I didn't plan on remodeling the existing space in City Hall. The original plan and my recommendation to the Communications Committee, Council, and City staff was to use the current space used for storage and employee exercise area without spending monies on a build-out. My recommendation at that time was going to allow us to use the already budgeted money on new lighting in a room that was already constructed.

The change was due to concerns by City maintenance.

The funding source for this expenditure will come from the 235 Fund (Cable TV Franchise Fees) There are no tax-payer monies to be used in the purchase and installation of this lighting project.

Recommendation

I recommend that the Committee approve moving forward on purchasing the lighting.

DATE: February 15, 2024
TO: Finance, Budget & Personnel Committee
FROM: Tom Loucks, Communications Director
RE: Budget Resolution 04-2024 Extend rent with Christy and Dave Steinle for Communications Department space

Background

On April 1, 2019 the City signed a 5-year lease with Christy and Dave Steinle for office and studio space to be used for the Communications Department at a rate of \$1061.00/ month. On February 18, 2021 the City amended the lease to vacate rooms 104 and 108 on the first-floor for additional spaced of 1600 sq. ft. on the fifth-floor for \$1386.00/month.

The current lease ends on March 31, 2024 and the 2024 Communications budget does not have funding for rent approved in the 2024 budget for after March 31, 2024.

Looking back, the City ended up saving approximately \$3,500.00/month moving the former Marshfield Community Television Station (MCTV) out the former space of the Marawood Building at the end of April 2019 in order to develop internal Communications Department.

Summary

We are looking to extend our monthly rent for an additional 3 months at a rate of \$1434.51/ month, which is based on a 3.5% increase from the Steinle's, due to the end of the current lease to expire on March 31, 2024. Steinle's are offering the City a month-by-month basis at this time without the needs of a new lease.

The reasoning for an extension is due to the build out project for the Communications Department relocation in City Hall, which has not been completed and will not be done by the end of March 2024.

The funding source for this expenditure will come from the 235 Fund (Cable TV Franchise Fees). The fund will not see an impacted for doing a 3-month extension. There would be no tax-payer monies used in extending the lease.

Recommendation

I recommend that the Committee approvals a lease extension for 3-months.

TO: Common CouncilFROM: Jennifer Selenske, Finance DirectorRE: Budget Resolution 27-2023 TID 9 Debt ServiceDATE: February 20, 2024

BACKGROUND

The finance department makes principal and interest payments for outstanding bonds and notes in March and September each year. Part of the process is to check if principal and interest are budgeted in each fund. It was noted the amount budgeted in TIF District 9 was incorrect and requires a budget resolution to correct.

RECOMMENDATION

Staff recommends approval of Budget Resolution 05-2024.

BUDGET RESOLUTION NO. 05-2024

A resolution changing the 2024 budget of the City of Marshfield, Wisconsin.

Budget Amendment

BE IT RESOLVED by the COMMON COUNCIL of the CITY OF MARSHFIELD as follows:

- 1. That the 2024 adopted budget for the Tax Increment Financing District 9 fund principal account is increased by \$175,000 and the interest payable account is increased by \$64,042.50.
- 2. That upon the adoption of this resolution by a two-thirds vote of the entire membership of the Common Council, and within ten (10) days thereafter, the City Clerk shall publish notice of this change in the official newspaper.

FROM:	Sarah Dresel, Human Resources Director
RE:	Payroll Resolution No. 2024-09 (revised seasonal pay scale)

BACKGROUND

The seasonal pay schedule was updated last year with significant changes to the pay scale for seasonal employees. Each year, department and division heads provide recommendations and justification for adjustments and/or changes to the seasonal pay scale. The following information has been collected for consideration.

ANALYSIS

For the 2024 seasonal pay analysis, staff met to discuss any updates or needed changes at the end of the year in December. Staff from the Street Department, Parks & Recreation, IT, Public Works, Police Department, Wastewater Department, Finance Department and Human Resources met to discuss local hiring, surrounding community hiring and other useful information for wage analysis.

Based on the discussion, only a few minor changes are being requested for the 2024 Seasonal Pay Scale. These include the following:

- Park Patrol will be moved from the Police Department section of the policy and moved to Grade 5 on the pay scale.
- Officials for the Parks & Recreation Department will be updated to only designate either non-certified or certified on the pay scale in grades 25 and 35.
- No updates to pay ranges for the 2024 seasonal pay scale.

RECOMMENDATION

Staff recommends that the Finance, Budget and Personnel Committee recommend approval of Payroll Resolution No. 2024-09 seasonal pay rates effective February 28, 2024.

RESOLUTION NO. 2024-09 PAYROLL RESOLUTION

WHEREAS, the city of Marshfield offers a wide variety of recreational programs and services in the community on a year-round basis; and

WHEREAS, other City departments utilize seasonal employees for projects and services the City offers: and

WHEREAS, it is necessary to attract qualified employees to ensure these programs, projects and services can be offered/completed; and

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City of Marshfield that the attached pay plan be adopted effective February 28, 2024 as specifically designated.

MEMORANDUM

DATE:	February 16, 2024
TO:	Finance, Budget and Personnel Committee
FROM:	Sarah Dresel, Human Resources Director
RE:	Policy 3.335 re: Dress Code

BACKGROUND

The City created a Dress Code Policy in 2018. The original policy addressed both appropriate and inappropriate attire for employees. It was primarily intended for office workers at City Hall and other City office settings or when employees conduct City business or representing the City. It did indicate that employees are responsible for "dress for their day" in regards to attire.

ANALYSIS

Since the creation of the policy in 2018, organizations, both private and public, have started to update and change their dress code policies to reflect a more flexible atmosphere in the workplace.

The updates shift the requirement of Business or Business Casual attire to being more flexible with Casual attire options. Employees will still be required to wear clothing that is neat, clean and without rips or holes. There are still times when Business or Business Casual attire is the most appropriate option for employees, such as meetings with members of Common Council, formal meetings with members of the public, etc. Department Heads and Supervisors remain responsible for fairly and consistently administering these guidelines as described within the policy.

Some notable updates and changes include the following:

- Business casual attire is still expected for public meetings and as appropriate for meetings and other interactions.
- Casual attire is acceptable, including jeans, throughout the workweek. This was already tested successfully on Friday's with little issue or complaints since it began.
- T-shirts with large logo's, wording or pictures are reserved for Friday's only. Monday -Thursday, t-shirts should be plain or only include a small logo (like a Nike Swoosh or UnderArmor logo as examples).
- Sweatshirts (crew and hooded) are reserved for Friday's only.

RECOMMENDATION

Staff is recommending that the Finance, Budget and Personnel Committee recommend approval of updates to policy 3.335 for approval by Common Council.

Special Note: This policy does not constitute an employment contract. The City of Marshfield reserves the right to amend this policy at any time subject only to approval by the Common Council.

I. PURPOSE

Dress for your day provides employees with the flexibility to choose appropriate work attire based upon their workday, anticipated meetings and interactions with others. Employees will use good judgment when deciding what to wear to work using basic guidelines provided within this policy. These guidelines are intended for non-uniformed office workers at City Hall and other City office settings. These dress standards do not apply to those employees working in the field, performing manual work in Departments such as the Department of Public Works and Parks and Recreation Maintenance Departments. Attire for these employees shall be determined by the Department Head. This policy shall apply when on City business or otherwise representing the City. Additional department-specific requirements may apply. City employees present the first impression of the City of Marshfield to members of the public, and therefore, must present a professional image at all times. Professional attire complements an environment that reflects an efficient, orderly, professionally operated organization.

The expectation is that employees will wear clothing appropriate for the type of work being performed. We all share in the responsibility to portray a positive image for the City, and managers and supervisors are responsible for fairly and consistently administering these guidelines as described within this policy.

The purpose of this This policy is to will provide guidelines for employees and management as to what does and does not constitute appropriate professional attire. This policy is not an all-inclusive list of what is and is not acceptable and employees must exert judgment in their choice of clothing that is worn to work. This policy is primarily intended for office workers at City Hall and other City office settings. This policy shall apply when on City business or otherwise representing the City. Additional department-specific requirements may apply.

The City reserves the right to rescind and/or amend this, and all City policies, at any time.

MEMORANDUM

DATE:February 16, 2024TO:Finance, Budget and Personnel CommitteeFROM:Sarah Dresel, Human Resources DirectorRE:Employee Turnover Data Update

BACKGROUND

Employee turnover is an important component to monitor. It showcases the movement of employees out of an organization so that you can look for ways to minimize the causes of the turnover.

ANALYSIS

Turnover rate is calculated by taking the number of separations during a month divided by the average number of employees, multiplied by 100:

```
Turnover Rate = # of Separations / Avg. # of Employees x 100
```

When determining the number of employees in the organization, employee head count rather than FTE is used. The head count includes all employees on the payroll.

For purposes of the reports that will be provided, seasonal employees were removed from the head count as well as any temporary part-time employees. Only permanent part-time and permanent full-time employees will be included.

Monthly reporting will be provided at the start of each month with the Position Control Report and the Personnel Actions Report. The first report will be provided at the Finance, Budget & Personnel meeting on February 20th and will include all of 2023 data as well as current 2024 data. Moving forward it will only include the previous months data.
