VOLUNTEER OF THE YEAR

2025 Parks & Recreation Volunteer of the Year

"This is what partnership looks like: volunteers, community support, and public investment woven together to create something lasting. Their example reminds us that when people come together, Marshfield becomes stronger."

-Justin Casperson, Parks & Recreation Director

The Parks & Recreation Department relies on volunteerism to make our parks and recreation programs successful throughout the year; and hence, each year, we like to choose a community member or group who has volunteered their time to make our community, parks, and programs better for everyone. This person or group go out of their way to make others feel welcome and included and make our community better overall.

We have the privilege of recognizing a group whose energy, passion, and teamwork have made a real and lasting impact on our community. At this time, we would like to recognize the Marshfield Area Pickleball Players as the 2025 Volunteer of the Year.

This is a group that saw potential, not just in a sport, but in a community space and in the people who would gather there. What once was a simple facility has become something vibrant, something active, something alive. Their efforts have helped turn courts into a hub for recreation, friendship, and wellness for residents of all ages.

They didn't wait for someone else to make it happen. They rolled up their sleeves, raised funds, and put in the work. Their commitment eased the financial burden on the city while still delivering a high-quality recreational space we can all be proud of. That is community ownership at its finest.

The result is more than just courts, it's connection. It's grandparents playing alongside grandkids. It's neighbors who started as strangers and are now friends. It's tournaments that bring players and families into Marshfield, benefiting our parks, our people, and even our local businesses.

So with deep gratitude, we honor the Marshfield Area Pickleball Players as our 2025 Volunteer of the Year. Thank you for believing in this project, for building community through sport, and for giving your time, your effort, and your heart to Marshfield.

Interested in becoming the next Parks & Recreation Volunteer of the Year? Contact our office about ways to get involved!

WILDWOOD ZOO

ADOPT AN ANIMAL • BE THE BUNNY • ZOOLOGICAL SOCIETY

VOLUNTEER AT WILDWOOD PARK & ZOO

How can you help?

Let us know what your talents or interests are! Do you like to grow flowers and work in the dirt? We have gardens that are home to butterflies and can be utilized for environmental education programs.

Love to work with kids? We offer outdoor projects, tours, and special hands-on projects for children.

Perhaps you are now retired and would like to share your valuable skills with the community. All volunteers must be 16 years or older.

Volunteers are an integral part of the team that helps make our zoo a "wild" place to be! Our zoo benefits from having volunteers help with park and zoo cleanliness and maintenance. Some volunteer tasks include sweeping sidewalks, cleaning windows, picking up trash and watering plants.

The zoo hosts special events throughout the year that may also require volunteer help. Some of the activities are the Wild Wednesday program, Zoo Fest and Trick-or-Treating.

New volunteers can contact the zoo manager Kyle Kirk, at:
kyle.kirk@cityofmarshfieldwi.gov

Or, fill out and mail the **"I Want to Volunteer!"** form found on our website:
