Ladies and Gentleman,

It's my pleasure to present to you the annual report for 2022! As you read the report I believe you will notice that we have compiled a comprehensive review of last year and organized the information in a way that is easy to read. Let me acknowledge a few highlights.

First, our department experienced several personnel changes. Three members of our full-time staff retired in 2022, adding to the shortage we were already experiencing at the time. By the end of 2022 we added six full-time members, bringing our staffing level to full strength. The change in personnel also brought promotions and new assignments to some of our most pivotal leadership roles. We gained a Chief, 2 Lieutenants, 1 lead officer, 1 detective, and 3 Field Training Officers.

We remain committed to building relationships with our community partners and our citizens. Some of the events we were honored to attend are Shop with a Cop, Cop on a Roof, Kiwanis Enormous Equipment Playground (KEEP), and many tours and school presentations. We enclosed some photos of these events in our report for your enjoyment.

Now, on to our 2022 crime figures. Our crime stats are compiled from our records using the Incident Based Reporting (IBR) system. IBR will separate violent crime stats from property crime statistics. Our department has an 89% clearance rate in violent crime and 62% clearance rate in property crime. Our overall clearance rate for all reportable crimes is 74%. You will also notice that we made 278 drug arrests this year with most being related to Marijuana, totaling 162 arrests. The second most common drug arrest was for Methamphetamine related cases.

Finally, 2022 brought a couple of opportunities to learn about our department history. First, a family member of our very first police chief, Albert Gerwing donated an awesome photo of him to our department. We felt that it was appropriate to include that photo on the cover of this annual report. Also included on the cover is Fred Beell, who I had the honor of inducting into the International Wrestling Hall of Fame in Albany NY this year.

Respectfully Submitted,

Chief Jody R. Geurink

The Police Department saw the retirement of Steven Christman (20 years) at the end of the 2021/2022 school year. Kay Stephens transferred to this corner for the fall and Ron Scheibe moved to full time at Kay's previous crossing (17th/Palmetto). We unfortunately also lost our senior crossing guard Todd Neuman with his passing in May 2022. Todd had been employed with the city for just under 30 years. Josh Follen was moved to cover the Peach/Doege crossing. Nancy Hodsdon moved from a sub to part-time (am) to cover Josh's previous crossing along with Joan Johnson (pm) who came back as a crossing guard to complete the 2022 school year. In late December 2022 Leonard Nyen was hired as a part-time crossing guard who is planned to replace Joan for the remainder of the 2022/2023 school year.
