

Controlled Archery Antlerless Deer Hunting at Stony Creek Ravine Nature Park (Other Township parks do not permit any type of hunting)

Oakland Township Parks purchased Stony Creek Ravine Nature Park in 2008 and 2019 with the majority of our purchase costs being paid by Michigan Natural Resources Trust Fund grants. One of the conditions of our receipt of these substantial grants was that we must allow controlled archery deer hunting at this park as part of the DNR's program to manage deer populations in southeast Michigan.

To meet this commitment, a limited number of hunters per hunt date will be issued Township permits for antlerless archery deer hunting at Stony Creek Ravine Nature Park on restricted weekdays between October 1, 2022 and January 31, 2023. On the days when hunting will occur the park will be closed to other types of use. Signs are posted at park entry points indicating these days of closure.

To Participate in this controlled hunt program, Hunters must do the following:

Hunters must obey all Township regulations, State of Michigan hunting laws and display Oakland Township Parks and Recreation Permit tag on vehicle rear-view mirror.

Hunters must each hunt with a partner to participate in this program.

Hunters must provide their own portable blinds and will be responsible for their own field dressing and transporting of all harvested deer. No baiting of any kind is allowed.

Prior to hunting, Hunters must review a [presentation](#) about this Township hunting program.

Hunters will select their Hunting Unit (see safety zone map on next page) on a first-come, first-served basis, after both partners have submitted all application information.

Hunters must email an application for each hunting period, including a copy of your current deer hunting license, a copy of the identification used to purchase your deer hunting license (such as a driver's license), and a copy of the signed archery deer hunting waiver (found at <http://bit.ly/HuntOTParks>) to knewton@oaklandtownship.org.

Questions about this procedure? Please call (248) 651-7810.
