- Require members of legislature, governor, lieutenant governor, secretary of state, and attorney general file annual public financial disclosure reports after 2023, including assets, liabilities, income sources, future employment agreements, gifts, travel reimbursements, and positions held in organizations except religious, social, and political organizations.
- Require legislature implement but not limit or restrict reporting requirements.
- Replace current term limits for state representatives and state senators with a 12-year total limit in any combination between house and senate, except a person elected to senate in 2022 may be elected the number of times allowed when that person became a candidate.

- Establish new individual right to reproductive freedom, including right to make and carry out all decisions about pregnancy, such as prenatal care, childbirth, postpartum care, contraception, sterilization, abortion, miscarriage management, and infertility;
- Allow state to regulate abortion after fetal viability, but not prohibit if medically needed to protect a patient's life or physical or mental health;

**County**

**Oakland County Public Transportation Millage**

A proposal to authorize Oakland County to levy a millage for the purpose of funding public transportation services in Oakland County, including operating, maintaining, improving, and expanding transit services, creating and expanding new fixed routes for bus service connecting local communities, expanding transportation services for seniors, veterans, and people with disabilities, and providing transportation to get employees to jobs, patients to healthcare, students to colleges and universities, for the general public to have more transportation options, and for related purposes authorized by law.

This millage would be levied at a maximum rate of .95 mills (95 cents per \$1,000 in taxable value) for a period of 10 years beginning in 2022 and ending in 2031.

This millage would replace an expiring millage levied by the Oakland County Public Transportation Authority supporting the Suburban Mobility Authority for Regional Transportation (SMART), and fund replacement of other local public transportation millages.

If this new millage is approved and levied, revenue will be distributed to Oakland County, SMART, North Oakland Transportation Authority (NOTA), Older Persons' Commission (OPC), and the Western Oakland Transportation Authority (WOTA). It is estimated that \$66,163,000 will be collected in the first year. Expenditure of revenue from the millage will be subject to oversight by the Oakland County Board of Commissioners and to independent audits.

Should this proposal be adopted?

- Yes
- No

**Township**

**Police Millage Renewal**

Shall the Charter Township of Oakland be authorized to continue the previously authorized levy after applying the Headlee rollback up to an estimated 1.6253 mills for a period of six (6) years, starting with the December 2023 levy to be disbursed to Oakland Township for the purpose of providing police services; including equipment, operating costs, officer quarters and personnel costs in the Township?

The voters approved a millage for the above-stated purposes in the amount of 1.7193 mills starting with the December 2017 levy, which will expire in December of 2022. This proposed millage is a renewal of previously authorized millage for the above stated purpose. Approval of this proposal would renew the tax limitation increase of approximately 1.6253 per \$1,000 of taxable value on all taxable property in the Township. It is estimated that based on the Township's current 2022 total taxable value, this proposal would result in the authorization to collect \$2,861,600.00 in the first year, if approved and levied.

State of Michigan

Shall the Macomb Intermediate School District, Counties of Macomb, St. Clair and Oakland, State of Michigan, borrow the sum of not to exceed Ninety-Seven Million, Four Hundred and Sixty-Five Thousand Dollars (\$97,465,000) and issue its general obligation unlimited tax bonds, in one or more series, for the purpose of paying for the cost of the following capital projects:

Serving special education students, including infants and toddlers, throughout Macomb County, with disabilities such as autism, cerebral palsy, cognitive impairments and emotional disabilities by:

The maximum number of years any series of bonds may be outstanding, exclusive of refunding, is not more than Twenty-four and one quarter (24.25) years; the estimated millage that will be levied to pay the proposed bonds in the first year is 0.17 mills (which is equal to \$0.17 per \$1,000 of taxable value); and the estimated simple average annual millage that will be required to retire each series of bonds is 0.15 mills annually (\$0.15 per \$1,000 of taxable value). The tax levy to pay the proposed bonds in the first year for a homeowner with a home value equal to the Macomb County average value of \$230,767 is estimated not to exceed \$19.62 for the year.
