

Online Services for Driver's License

*search **MyDMV NC**

*put correct information in required fields (dob, last 4 of ss#, DL #)

*select "Log In"

*under services, you can select which application applies to you

(to change address on DL, choose to order a duplicate license and follow instructions)

*when ordering a duplicate or renewing you DL online, it will take you to another screen where you will select "continue to myncdmv services"

*the next screen will allow you to login on different applications or continue as a guest

*your next screen will be where you select what "job" you are trying to complete

*that will connect you to chat with a representative online and they will help you complete your transaction
