### LIMITED FOOD SERVICE PERMIT APPLICATION

**Limited Food Establishment (LFE): prepares or serves food only in conjunction with amateur athletic events. LFE also includes lodging facilities that serve only reheated food that has already been pre-cooked by a manufacturer.**

Effective August 1st, 2013 Session Law 2013-360 went into effect and this new legislation directs that the \$75.00 annual permit fee for Limited Food Service Establishments be collected by the local health department before an operations permit can be issued.

Permits for limited food service establishments shall expire one year from the date of issuance. A new permit from the local health department shall be obtained before the limited food service establishment shall be allowed to operate.

The permit application shall be submitted to the local health department at least 30 days prior to commencing operations each year.
