BOOTH DIAGRAM WITH EQUIPMENT LAYOUT

Draw or attach a diagram showing your food booth set up. Indicate tent dimensions (if applicable), front service area, sneeze guards, handwashing station, utensil washing set up and air dry space, produce washing set up (if applicable), cooking equipment, refrigeration, hot holding and cold holding equipment, preparation areas, fan placement (if applicable), etc.

Responsibilities of the Temporary Food Establishment Operator

1. Food(s) shall not be prepared (opened, cut, sliced, cooked, etc.) prior to the issuance of the temporary food establishment permit. Food(s) that have been prepared without a permit will be discarded.
2. The food vendor is responsible to verify with the organizer of the event that all necessary services are available such as water supply, wastewater disposal sites, grease & oil disposal, and electrical needs are supplied.
3. All food service equipment used in the temporary food establishment shall be in good repair, clean, and sanitized prior to permitting.
 - a. Have sanitizer available – bleach and water mixed to a strength of 50 to 100 ppm
 - b. Have test strips to test the strength of your sanitizer.
 - c. Have a NSF approved drinking water hose to connect to the water supply, no green garden hoses.
 - d. Have hair restraints, food service gloves, thermometer with range of 0 F to 220 F.
 - e. Have a handwashing station with a minimum capacity of 2 gallons of warm water, anti-bacterial soap, disposable paper towels, and a trash can.
 - f. Have 3 basins and water to be able to wash, rinse and sanitize utensils.
 - g. Open displays of food shall be stored above the ground surface.
 - h. All food handling – preparation, cooking, utensil washing, and all equipment must be protected by cover overhead.
 - i. There shall be protection from insects by use of screening or fans.

VENDOR ACKNOWLEDGEMENT AND SIGNATURE SECTION

Statement: I hereby certify that the above information is complete and accurate. I fully understand that:

- Any deviation from the above without prior written permission may nullify final approval and prevent issuance of a temporary food establishment permit.
- A pre-opening inspection (with electricity and equipment in place) of my temporary food establishment will be required before a permit will be issued.
- Food/drink that is prepared before permitting (without prior approval) may result in disposal or embargo of the drink. Failure to maintain approved temperatures for potentially hazardous foods may result in disposal or embargo of the food. Menu items are subject to approval and may be restricted.
- Approval of this application does not indicate compliance with any other code, law or regulation that may be required. (ie: Fire Marshall, federal, state, and local authorities).
- Incomplete applications will be denied and returned.
- Both the TFE Application(s) and required fee(s) *must be received **at least fifteen (15) calendar days prior to the event**, or the application shall be denied.*

Owner/Manager/Designee _____ Date _____
