

## Getting My Own Address

for People with Autism Spectrum Disorders  
and other Developmental Disabilities

**Getting My Own Address for People with Autism Spectrum Disorders and Developmental Disabilities** is a guide for people with autism spectrum disorders and developmental disabilities and their families.

The guide is a comprehensive but simple explanation of the steps, options and choices that are available to plan for housing in the community of one's choice.

**Access the entire guide for FREE at**  
**<http://www.communityhousingnetwork.org/GMOA>**

Guides, including binder, are also available for purchase:  
\$25 - Oakland County parent/individual  
\$35 - Oakland County professional  
\$40 - Outside of Oakland County

Overview Presentation, Four-Part Training Series and Support Groups also available!
