2022-23 Online Back-to-School Registration Information

In planning for the upcoming 2022-23 school year, we want to remind you of our **Online Back-to-School Process** through Skyward. Through this required process, families can update or change student information, receive important documents, register for school communications, print student schedules and enter emergency contact information. A step in the online process for students in **grades 10-12** is the option to purchase a Student Handbook/Planner. *Freshmen will each receive a courtesy copy of the Student Handbook/Planner upon their start at SLHS.*

Beginning August 1, 2022, the online back-to-school registration process will be made available to high school parents/guardians through **Skyward Family Access**. If you do not have or do not know **your** Skyward Family Access Login (not your student's account), please go to the following link, click on "Forgot your login/password?" and follow the prompts:

<https://skyward.iscorp.com/scripts/wsisa.dll/WService=wsedusouthlyonmi/fwemnu01.w>

Parents that need to use school technology to register may call the Main Office at 248-573-8150 to schedule an appointment.

The online registration process must be completed **before** students report to in-person student registration at their assigned time. See the schedule below.

At in-person student registration, students will be photographed for their ID and student pictures, pick up their schedule with locker assignment, get their parking passes, and pick up materials and books for the coming school year. NOTE: During this process, all materials and books that are due from last or a previous year need to be returned or fines paid or students will not be permitted to register. Please check the South Lyon High School webpage for additional information about online registration.

On Thursday, August 25th, from 8:00am-1:30pm, we welcome the Class of 2026 to Freshman Orientation Day. This event is hosted by our Link Crew, a mentoring program between our upperclass and freshman students. During this time, freshman students will have the opportunity to meet new classmates, get acclimated with the building, find their lockers, get their school pictures and ID taken, and get acquainted with some of our staff. Please save the date! More information regarding this event will be coming soon.

The following dates and times are planned for students to come to SLHS for in-person student registration. Except for Freshman Orientation, this process will take place in the Auxiliary Gym. Freshman Orientation will begin in the Commons.
