Guiding Principles

We Believe:

- Our primary focus is educating individuals from birth to 26.
- We are a school community of lifelong learners.
- People are our most important resource.
- All learners can achieve personal excellence and become contributing and productive members of society.
- A culture of transparency and accountability is essential for building trust and fostering collaboration.
- Collaboration and reflection guide best decision making practices.
- Ethical behavior, respect for others and the appreciation of diversity in people is essential to fostering positive relationships.
- In providing a safe and secure learning environment.
- In teaching in a way that is accessible to all learners.
- In the utilization of current technology to enhance teaching and learning.
- Partnership and family engagement are essential to student success.
- Community involvement enhances and enriches our school community.
- Growth in teaching and learning depends on quality instruction, ongoing assessment, thoughtful analysis and reflection, and actionable feedback.
- In purposeful planning based on best practices for student access and engagement.

STRATEGIC PLAN SUMMARY

2025 - 2030

Culture & Climate

Strategic Goal Statement

Foster a safe, supportive, and inclusive learning environment that supports and nurtures all learners to become leaders who are career and life-ready and community-focused.

- Continued implementation of a district-wide Positive Behavior Interventions and Supports (PBIS)
- Continue to develop community partnerships to support the district's school communities
- Establish a welcoming and supportive environment by embracing individual differences and fostering a culture of mutual respect and understanding where all learners feel appreciated, respected, and encouraged to thrive.

Resources

Strategic Goal Statement

Strategically allocate resources to nurture all aspects of a learner's development, aiming to create an environment where students are empowered to thrive both in and out of the classroom

- Develop a financial plan that maximizes positive impact to student growth and achievement
- Develop a human resources strategy for hiring and retaining high-quality instructional and support staff
- Develop a plan to expand and enhance community partnerships that support the district's mission and vision
- Ensure students and staff are safe

Facilities

Strategic Goal Statement

We will maintain and update the district's facilities and infrastructure to ensure students are able to learn and grow utilizing modern facilities, equipment, and materials.

- Gather and review evidence for long-term facility and infrastructure needs of the district
- Implement improvements and upgrades to existing facilities and infrastructure

Student Growth & Achievement

Strategic Goal Statement

Implement an integrated MTSS framework with fidelity across all schools with the district infrastructure necessary to support that framework

- Continue to develop and implement a K-12 MTSS Handbook and process, inclusive of monitoring and evaluation
- Develop and implement a robust tiered instructional delivery system for all students
