4. Review of Elementary Mode of Instruction

Background Information: The Board of Education approved a revised mode of instruction for PK-12 at the Board of Education meeting on November 16, 2020. Students in the Virtual Learning Pathway participate in five virtual learning days each week. The plan for elementary students in the hybrid in-person/remote pathway was approved as shown below:

Elementary (Grades JK - 5):

Below is the adjusted schedule to be followed through the remainder of November and through December.

- **11/23 & 11/24:** Full days in-person
- **11/25 - 11/27:** No school - Thanksgiving
- **11/30 - 12/4:** Remote Learning
- **12/7 - 12/18:** Full days in-person (Wednesdays remote)
- **12/21 - 1/1:** No school - Winter Break
- **1/4 - 1/8:** Remote Learning

The Central Office administration has provided the Board of Education with additional information for their consideration as it relates specifically to the elementary plan. The information relates to three key areas impacting the elementary program (1). Incubation Period after Thanksgiving; (2). Importance of Elementary Routines; (3). Continuity and Integrity of the Instructional Program.

Recommended Action: Approve the administration's recommendation to revise the mode of instruction plan for the elementary level (Grades JK-5) to include two additional weeks of fully remote instruction (December 7-18). In addition, the fully remote model will continue through at least January 8, 2021, with a possible return on or after January 11, 2021.
