PLEDGE OF ALLEGIANCE

The Board, administration and the audience joined in the Pledge of Allegiance.

RECOGNITION – EARLY ON PROGRAM

Teri Melchert (Early On Occupational Therapist) and Jacquie Voss (Early On Coordinator for the SLCS District) provided the Board and audience with a presentation on the Early On Program. The Early On Program is Michigan's early intervention system for children from birth to three years old that qualify based on a developmental delay or an identified disability. These are listed online through the MDE. Early Intervention is a federally run program under Part C and Part C Plus in Special Education. They serve a large group in our district through Oakland County. Early On is providing strategies to students and their families in their natural environment which can include their homes, daycares, community locations and outings. She added that they are considered a family program. They believe that the parent or the child's guardian is the child's number one interventionist.

They use a primary service model. It is a model that is recommended by the Federal Government because it is found to be so effective. They choose one person to be with the family. They will provide service across all domains and in all areas of development. The rest of the team is available to help do co-visits. They also coach each other once a week in a team meeting.

They do community outings. They want to get out in the community and want the families get to know what is in our community. They go to the library, schools and playgrounds and many other places to explore what is available and to meet other families.

The Early On Program services are available year-round. Their staff consists of eleven staff members. They have a whole team of people that consist of Early Childhood special education teachers, occupational therapists, five speech therapists and a physical therapist. They are all referred to as early interventionists in all areas of development to help every single family that they work with. There has been a tremendous amount of growth over the years. In the first year, they started with 17. They currently have 94 children in their case load providing services in this district. There were no questions from the Board, and they thanked them for all the information they shared regarding their program services.

PUBLIC COMMENTS

Mr. Dashner offered an opportunity for public comments, and the following comments were shared.

- *Steve Brummer, former Board Member, and his wife Brianna Solberg* announced that they were donating money to help sponsor a support dog for Salem Elementary. They are doing it in honor of Brianna's mother who recently passed away. She was a huge dog lover and understood how important a calm dog can release some stress and tension in a child's life. He thanked Ms. Kudwa for her help with this donation. She indicated that the dog will be identified sometime in the fall, and they will get some photos with Steve and Brianna with the puppy and then introduce it to the community. Mr. Brummer also shared some favorable comments relative to Judy Wiemer, Executive Assistant to the Superintendent, as he served as a previous board member and worked with her many years ago.
- *Brenton Montie, teacher & SLEA representative*, shared the following "Good Things" that are happening in our district. He noted that he started sharing "Good Things" at the February 8 board meeting. There have been over 75 Good Things shared since then. These are SLEA members sharing the amazing things their colleagues have done or notable achievement of the school community or students. He noted that this evening's comments are the final few of this school year.
- *Jackie Cope and Colleen Crowell* nominated the SLHS National Honor Society. During this school year, our 71 members participated in 2,398 hours of community service and raised \$11,086 for charity.
- *Mrs. Gage's WEB students & Leadership class* – the WEB Olympics was held on Friday, June 3 at MMS for the entire 6th grade WEB and Leadership students. The students came up with the ideas and activities, ordered supplies, wrote out directions, filmed examples of each game and directions, ran the games and independently tackled all hiccups that occurred. A fabulous time was had by all.
- *Jennie Jones – Tims Mustang Madness organizer extraordinaire*, created, organized and carried out Mustang Madness for all of MMS on June 3. She was in charge of the entire day and all activities for 7th & 8th grade. Each grade level had different activities specific to that grade. 6th grade had WEB Olympics run by Mrs. Gage and Mrs. Scarlett. Jenni is one of the WE assistant leaders. 7th grade was traditional Mustang Madness with field day type activities along with games and activities in the gym. 8th grade had a reduced schedule with activities in classrooms followed by their 8th grade picnic complete with food, bounce house, chalk drawing and many other opportunities for the 8th graders to share memories of their experiences at
- *Robyn Proctor nominated Katie Duncan, Sarah Liebau and the senior class of 2022* for their senior gift, the Class of 2022 purchased a spirit rock! Clubs, groups and activities can paint the rock to show off their East/Cougar Pride.

PUBLIC HEARING PRESENTATION – 2022-23 PROPOSED BUDGET

The 2022-23 Proposed Budget was presented. Information on the State of the State included the Executive, House and Senate School Aid fund recommendations for increases to the foundation allowance. The Executive Budget includes a \$435 increase, the House Budget includes a \$300 increase, and the Senate Budget includes a \$450 increase. Information was also presented from the May Census Revenue Conference which indicated the State is in a good financial position to fund the School Aid Fund this year, showing an increase to their previous projections from January in 2022-23 and 2023-24. MPSERS graphs were shown and the UAAL is projected to be paid off in the year 2038.

The Truth in Taxation presentation was given, and the 2022 taxable value of the district increased by 6.9%. The Headlee rollback calculation was presented and the 2021-22 millage of 18.7429 in 2021-22 has been further rolled back to 18.6464 for the 2022-23 school year. The amount levied will remain at 18.000 mills as in previous years. The 2022-23 debt levy will remain at 7.0000 mills as it was for the 2021-22 year.

The proposed budget was presented and showed total projected General Fund revenues of \$101.9 million and total projected General Fund expenditures of \$100.7 million, with a transfer out to other funds of \$721,000 creating a net increase to the fund balance of \$489,427. The budget was developed using the Executive budgeted foundation increase of \$435 per pupil which brings the foundation allowance to \$9,135 for the 2022-23 school year. Enrollment growth was projected to increase by 1% or approximately 80 students. Projected MPSERS payments and reimbursements were reviewed. The Proposed Budget used 43% on all salaries when budgeting for MPSERS. The forecast budgets indicated a growth in the fund balance for the 2023-24 and 2024-25 school years.

An update of the bargaining contract end dates was also presented.

Ms. Witt asked the Board to approve the 2022-23 Proposed Budget as presented.

Moved by Mr. Schwegler, supported by Ms. Junkulis-Pierce to approve the 2022-23 Proposed Budget as presented.

LEGISLATION

Mr. Archibald shared information on House Bill 5190 was recently signed into law. This has to do with updating the Revised School Code to include a half credit graduation requirement for personal finance. It begins with pupils entering Grade 8 in the fall of 2023. This will affect the graduating class of 2028. The Board of a school district shall not award a high school diploma to a pupil unless the pupil completes a ½ credit course in personal finance. As an administrative team, they will decide this summer and recommend to the Board that ½ credit can count towards a math requirement, ½ credit towards a language other than English or ½ credit towards the visual performing applied arts. He emphasized that the administrative team would review this language this summer and make a recommendation to the board and adjust our graduation requirements accordingly.

CITA COMMENTS

Ms. Kudwa explained that typically she is bringing the Continuous Improvement Plan to the Board. They do it at this time of year because it is tied to the consolidated grant application for the MDE. They typically release that, and she tries to submit both together. What they are looking for in the consolidated application is to be able to point back to the Continuous Improvement Plan and say this is where you've said you needed funding in order to make improvements. The two pieces have to go together. They have not released the consolidated application at this time, so Ms. Kudwa is hoping she can bring the Continuous Improvement Plan to the July board meeting.
