MONDAY THE 12TH

IN RE: AUDIT COMMITTEE REPORT

On motion by Commissioner Fee and seconded by Commissioner Turner it

was ordered that the following Audit Committee Report be adopted:

Tipton County Audit Committee Meeting Date: March 4, 2021 Time: 9:00 am

Members Present: Commissioners Walker Adams, Bob Wilson, and Courtney Fee

Also present: Tipton County Executive Jeff Huffman

County Executive Huffman began the meeting by pointing out that there were no official findings in the FY 2019-2020 audit report. The committee then reviewed the discussion points as mentioned in the audit report.

- 1. Drug Fund Balances
- County employee that performed part-time, temporary work was paid by vendor check.
- 3. In 5 out of 54 applicable instances, purchases were coded to accounts that did not reflect the "true nature of the expenditures".

It was also noted that Tipton County does not have a central system of accounting, budgeting, and purchasing. County Executive Huffman noted that this was a perennial "Best Practice" recommendation from the Division of Local Government, but, in his view, the benefit would not outweigh the upheaval caused by the dramatic change to the current system.

On a motion by Commissioner Adams, seconded by Commissioner Fee, the committee voted unanimously to approve these minutes and spread them on the minutes of the next meeting of the Tipton County Legislature.

The meeting adjourned at 10:45 am.
