Health Department Operations

- Shawne, our Public Health Manager, celebrated her **retirement** in August. She has spent many years in public health and brought a wealth of knowledge, compassion, and enthusiasm to the Greendale Health Department.
 - We look forward to seeing her at community workgroup meetings as a volunteer!
- Wisconsin Department of Health Services- Office of Policy and Practice Alignment made a visit to the Greendale Health Department for our **State Review**- which happens every 5 years.
 - Greendale is exceeding the services required for level 1 and level 2 health departments and we are designated as a **level 3 health department**- which is the highest state designation a health department can reach. Great work!!!

“Back to School” Wellness

- [Healthy Minds, Healthy Greendale](#)
 - Shared Back to School **Wellness Resources** with area schools and childcare providers and will work to update our website to share those resources with the community as well.
- Childhood Screenings
 - Greendale Health Department offers vision **screenings** and [child developmental screenings](#) for residents. Call the health department for more information- 414-423-2110.
- School Immunizations
 - The State of Wisconsin has [school and childcare immunization laws](#) that we assist the schools with understanding and navigating.
 - Some **childhood vaccines** are available at the [Greendale Health Department](#) for eligible individuals.
 - **Annual Flu Clinic** will be held on Tuesday, October 25th from 3:30-6:30pm at GHS. Free Flu vaccines (shot and nasal) available for kids 6 months to 18 years. Adult flu shots available for \$35.

Community Outreach

- Healthy and Safe Events
 - Updated our website with information about [Safe Serving of Food at Events](#) for **Food Vendors**. This includes information about licensing, handwashing, food temperatures, and other safe serving resources.
- “Pick Your Own Picnic” Program
 - **Step Up to Better Health** worked with the school garden to offer a program in the beautiful garden at GHS. It was an evening of fun food activities! Participants got to pick produce from the garden, create a dish, sample their creations and spent time with friends, family, and neighbors.
- Wake Up Call Room Display
 - **Community Alliance** made the “Wake Up Call Room” available to attendees at Village Days and Hales Corners National Night Out.
 - The “Wake Up Call Room” provides parents and guardians with the experience of walking through a display teens’ bedroom, learning about red flags that could indicate substance use, and learning about proactive parenting strategies to keep your child substance free.
- **Fun Run/Walk** Community Event
 - Step Up to Better Health is holding the annual [Fun Run/Walk](#) on to enjoy Sunday, October 23 physical activity on a fall afternoon and to raise money for each school in Greendale Schools. The run/walk is on

*This list does not reflect all health department activity from this month, but contains department highlights

September Newsletter

COMMUNITY ALLIANCE

September: Recovery Month

Check out the book Display at the Hales Corners Library & pick up a Rise Above journal/mug!

Upcoming Rise Above Events:

Greendale Events:

Tuesday, September 13th @ 8am, Greendale Fire Department Community Room

Hales Corners Events:

Tuesday, September 20th @ 4:30pm, Hales Corners Library Community Room

Friday, September 30th @ 9am, Hales Corners Library Community Room

Village Days

Community Alliance was set up at Greendale Village Days, in August. Unfortunately we did not see as many people as we had hoped and will readdress with members for planning next year!

Wake Up Call Room was set up in the Rec Room (basement of CLC) and there were Exit Plan and Small Talks resources for participants to take.

Upcoming Meetings

All meetings are held at 5:30pm @ the Hose Tower

Tuesday, September 13th

Tuesday, October 11th

Tuesday, November 8th

Tuesday, December 13th

Hales Corners & Greendale
