3

4

1. The staff prepared for the potential large snowstorm and extreme cold over the holidays.
2. Spreading holiday cheer and showing that public health is where you are, at Dickens of a Village.
3. Health Department staff worked on setting ourselves up for a successful 2023, by reviewing events for the year and updating performance management plans to represent our 2023 goals!
4. Toy Safety Display was set up in the Health Department lobby for our visitors.

Radon Gas and Your Home

Radon gas can't be seen, smelled, or tasted and is the leading cause of lung cancer in non-smokers.

Radon experts from the Southeast Wisconsin Radon Information Center will present an educational program about Radon. This is a FREE event!

- When: Thursday, February 2, 2023, at 6:30 PM
- Where: Community Meeting Room in the lower level of the Greendale Public Library at 5647 Broad Street, Greendale
- Call the Greendale Health Department to register for this event: 414-423-2110

Preparedness

In an emergency situation, having the items you need could save your life. You cannot control the weather, but you can control how you prepare for the situation. There is still time to gather items for an emergency supply kit for your vehicle.

Top Social Post

If you need help, reach out to someone! It can look different for everyone: talking to family members, a friend, or a therapist.

If you feel like you don't have anyone to turn to and are in a crisis, dial 988 to speak with a mental health professional from the Suicide and Crisis Lifeline.
