Public Health**
Prevent. Promote. Protect.

MARCH 2023

1. MSOE Nursing Students learned about collaborating with local organizations to support an Age-Friendly Community.
2. PH Nurse and MCW Student lead a weekly Stepping On Falls Prevention Program.
3. PH Specialist and Healthy Mind, Healthy Greendale participated in brain-storming session with GHS Sources of Strength on Mental Health Month Campaigns.
4. PH Director and Fire Chief worked together to order and set up new Automated External Defibrillator (AED) for the Community Learning Center (CLC).

Happiest & Healthiest Greendale

Focus Group for Arabic Speaking Residents

Earlier this year, GHD along with Greendale Schools staff, Rajwa Abukhamireh, held a focus group regarding access to health services in Greendale. The group met again this month for follow-up questions and answers.

Top March Social Media Post

We've recently had some wild winter weather and power outages. Information about where and how to stay warm was our top social media post in the month of March.

Future of Public Health

29

nursing students

Both Alverno College: School of Nursing and Milwaukee School of Engineering: School of Nursing are working with our department this semester. They are on site with us weekly and are working on various projects including; walking audit of our paths, AED awareness, and hoarding information for residents and older adults.

"Public Health 3.0"

Supported and encouraged by WI Dept. of Health Services and accreditation boards. This model allows public health to engage with many sectors and community partners to generate a larger impact and improve the social determinants of health within the community.

Mental Health Check In

- are you getting enough sleep?
- are you eating regularly?
- are you being kind?
- do you need a break from screens?
- how can you move your body?
