Battery Investigation

On Sunday, October 17, 2021, at approximately 2:04pm, our Department received a call from a resident on Enfield Avenue reporting a juvenile had come to their door reporting that he was a victim of a battery.

Officers and a Detective responded to investigate.

The juvenile victim reported to us that 5 white juvenile males on bikes had “jumped” him in the area of Westway and Elberton between 1:30 and 2:00pm. The juvenile victim described the suspects as approximately 17 years old, 2 wearing gray sweatpants and 3 wearing gray shorts. The bicycles were described as: a white mountain bike, a green and purple bike, a yellow bike, a white and blue bike, and a black bike. These 5 suspects fled southbound on Westway.

The area of where the battery occurred was checked and no juveniles matching that description were located. The neighborhood was also canvassed with residents being interviewed. CCTV footage was requested from residents in that area and reviewed by Officers, but nothing related to this incident has been located thus far.

The Greendale Police Department is still investigating all aspects of this incident and following up on tips/leads. Anyone with information, who may have seen juveniles matching the above description, or with camera footage specific to this incident on this date is encouraged to contact the Greendale Police Department at (414) 423-2121.
