1. Construction was underway at the Health Department the whole month of September! Services continued as normal and staff was flexible while our workspace is transformed!
2. Public Health Manager participated in Martin Luther High School's Career Day, by giving presentations on the many fields you can go into within public health!
3. Maddie started as our fall intern in September- She is an undergraduate, senior, at UW Milwaukee and will graduate this semester after completing her field experience and final classes.
4. The Summer Garden Event was a huge success, hosted at the Greendale School District Garden!
