## **Suspicious Package**

Greendale Police Department

On Thursday, September 13, 2018 at approximately 9:12am, Officers responded to St. Alphonsus School, 5960 West Loomis Road, for a report of a suspicious package.

A school employee had located a suspicious box outside a door where deliveries are not normally made.

Greendale Police, Greendale Fire and Milwaukee County Sheriff EOD responded.

As a precaution, the school was evacuated per their emergency protocols. Parents were notified and were directed to a secondary location to pick up their children.

We thank the Greendale School District and Milwaukee County Sheriff's Department for their assistance in this event.

The package was determined to contain paper and was not a threat.
